WORLD NEWS

On Nov. 12 1981, the spaceship Columbia majestically blasted into space. Although the flight was cut short, it lasted 36 hours and most of the work load was finished. Thus the first "used" spaceship had completed its mission. Are there future astronauts studying here at Elgin High?

Anwar Sadat, who won the Nobel prize in 1978, died violently Oct. 6, 1981. While he was viewing a parade, uniformed Moslems jumped from a truck, fired rifles and threw grenades killing Sadat. Although there are only 5 students of Arabic descent at Elgin High, whenever a world leader of vision is assassinated, it affects us all.

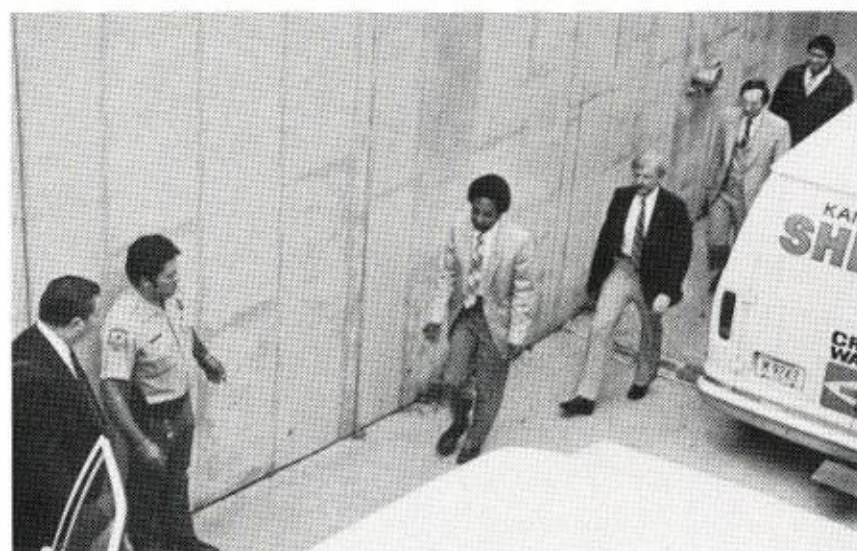

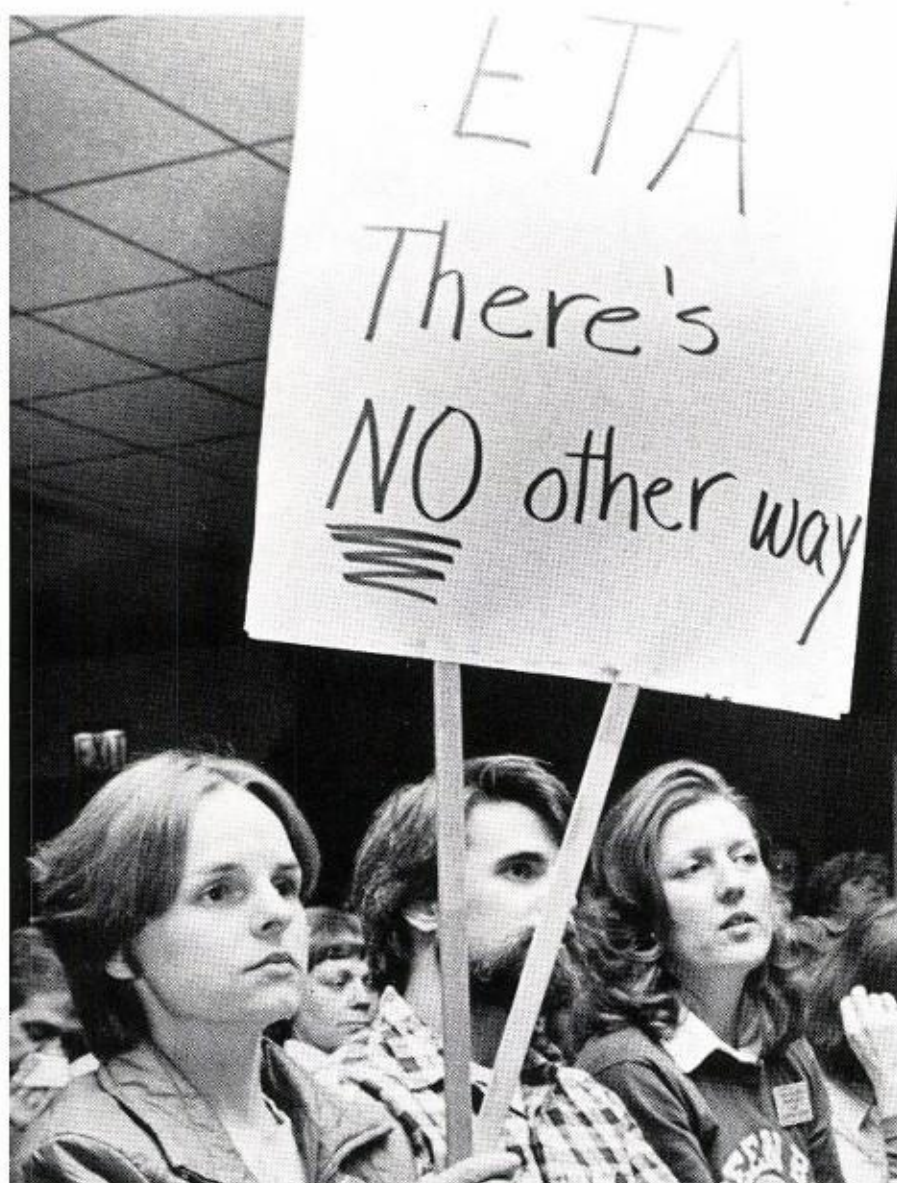

The biggest fad of '81-'82 was the Rubik's Cube. Designed by Prof. Rubik, the cube's purpose was to make his architecture students think three-dimensionally. Now this teaching tool has spread throughout the world, but the professor receives no profit, because he sold the rights to the Hungarian government. Throughout the year, EHS students "thought" a great deal.

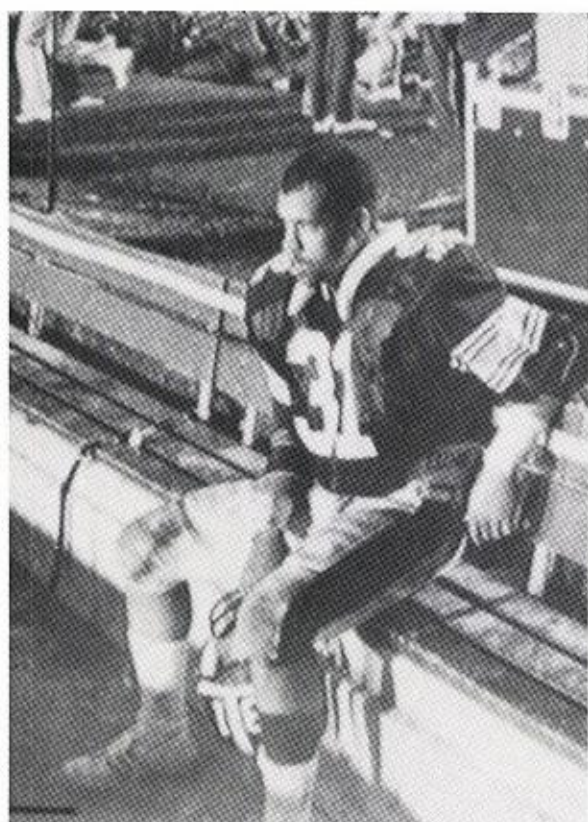

Conservationism reigned in America. Socialism made strides in countries like France, Greece and especially Poland. Poland suffered food shortages, labor disputes and government shake ups. Then on Dec. 10, 1981, martial law was declared. Thousands of union leaders and dissidents were arrested, communications cut off, and a curfew imposed.

LOCAL NEWS

The 11 day teacher's strike became the longest in U46 history. Another first was the court injunction ordering teachers back to school. When a majority refused, union officers, including Elgin's Rupert Searcy, were jailed. This was a first in U46 and the state of Illinois.

1978 graduate Mel Cole went on to star in football at the Univ. of Iowa leading the Hawkeyes in tackles for two years. On New Years Day, Mel, wearing an Elgin jersey under his Iowa shirt, played in the Rose Bowl game. Although Iowa was overpowered by Washington, Mel was chosen most valuable Iowa player, thus carrying on a tradition begun here at Elgin High.

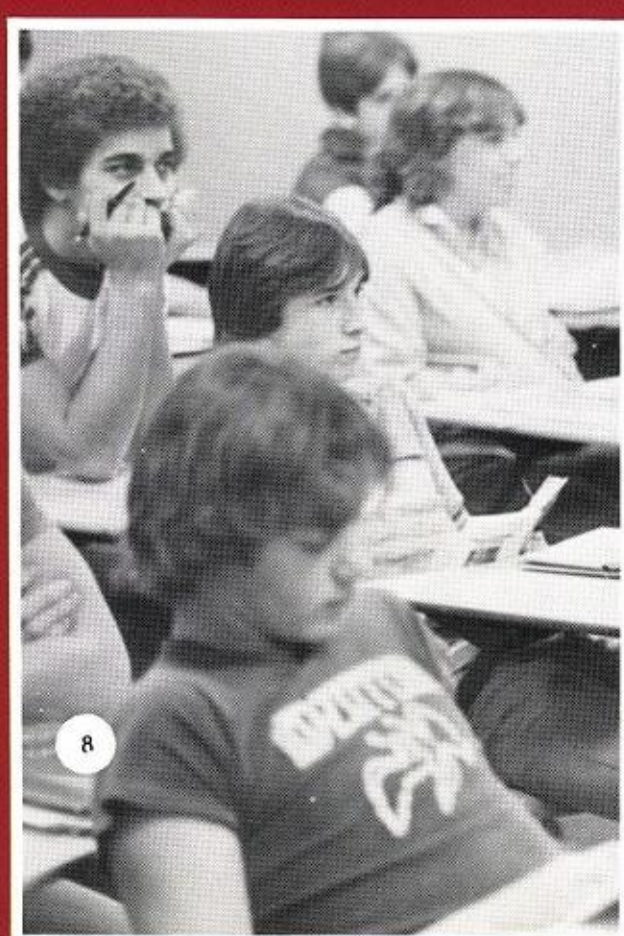

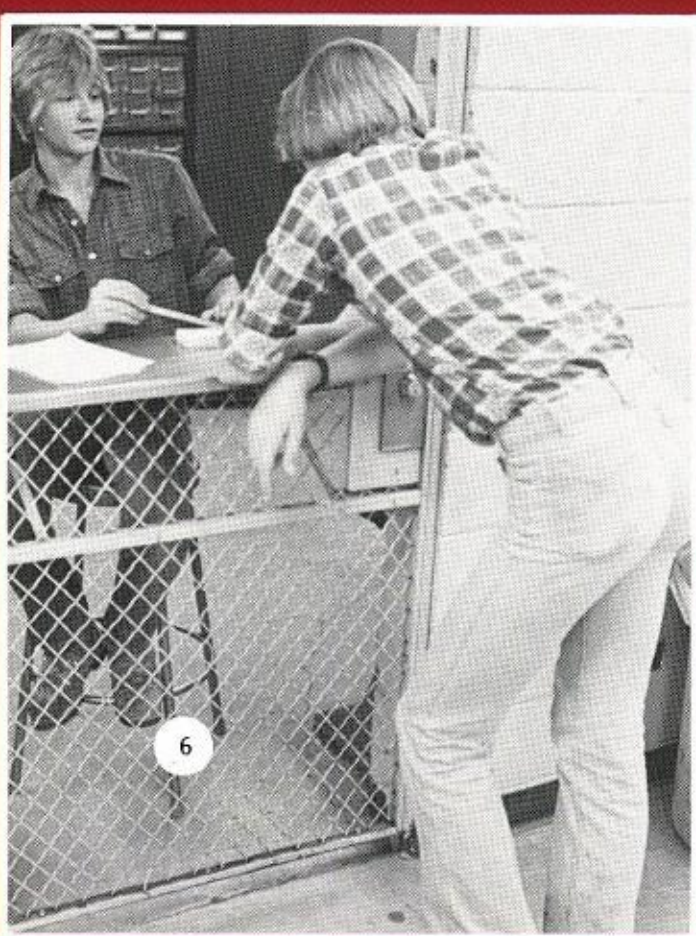

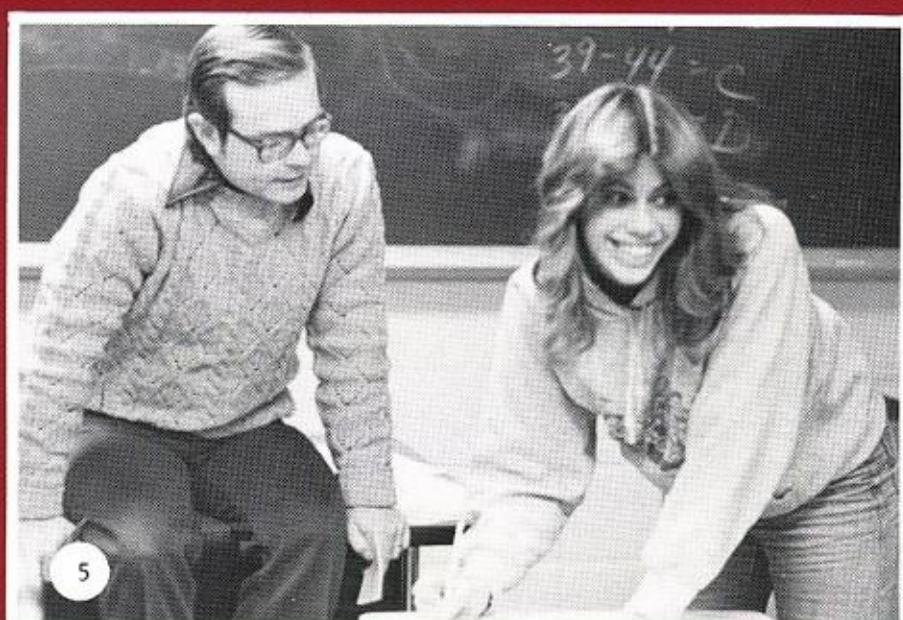

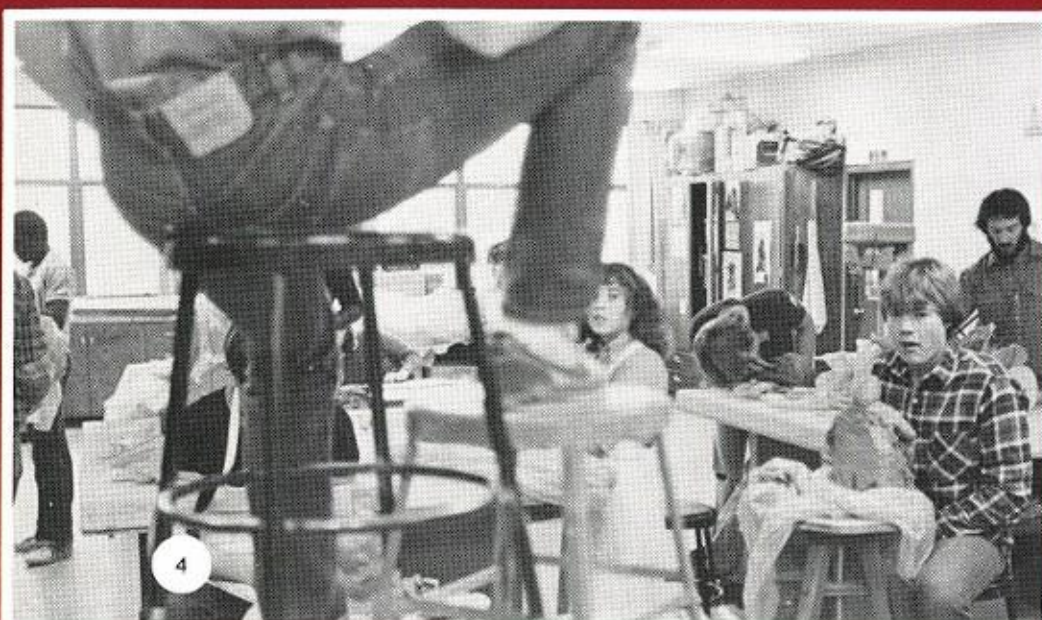

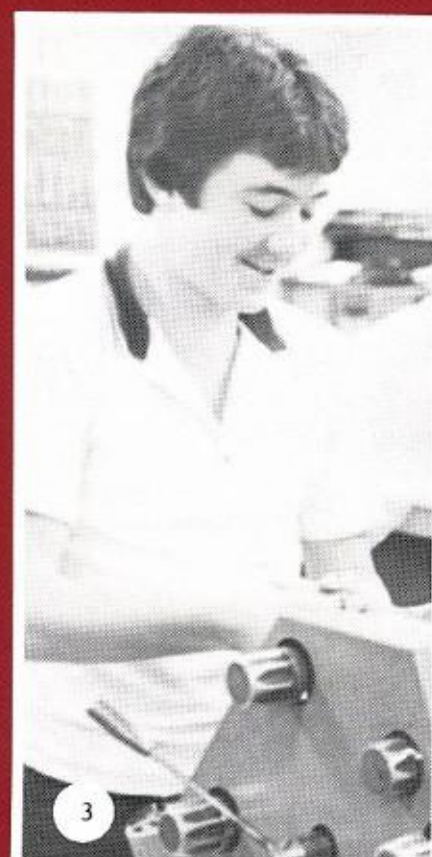

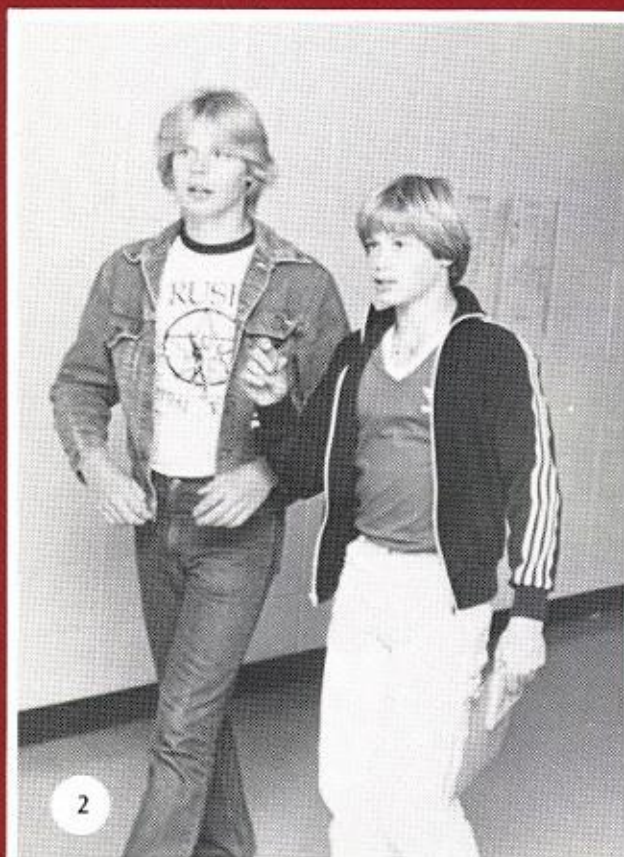

The biggest consumer item of '81-82' was video games. An estimated \$6 billion was spent (mainly by teenagers) representing 75,000 man years playing the games. The hottest games were Pac Man, Asteroids and Space Invaders. The leading Christmas purchase was a home unit with Odyssey, Atari and Intellivision dominating the field.

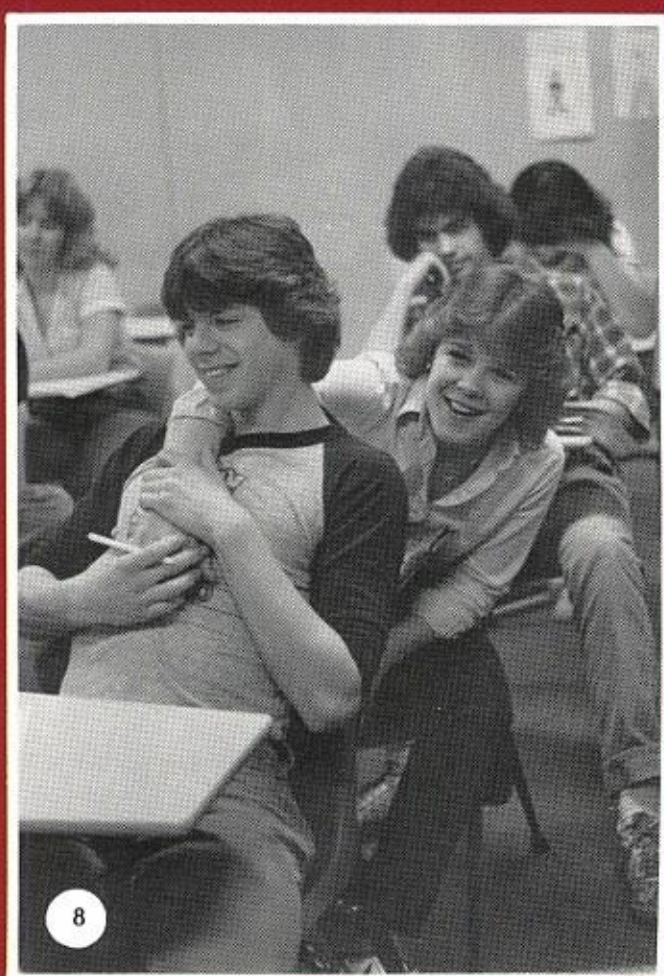

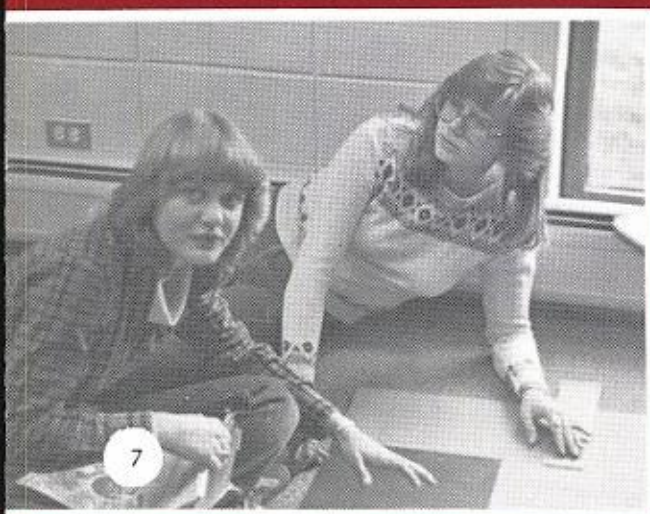

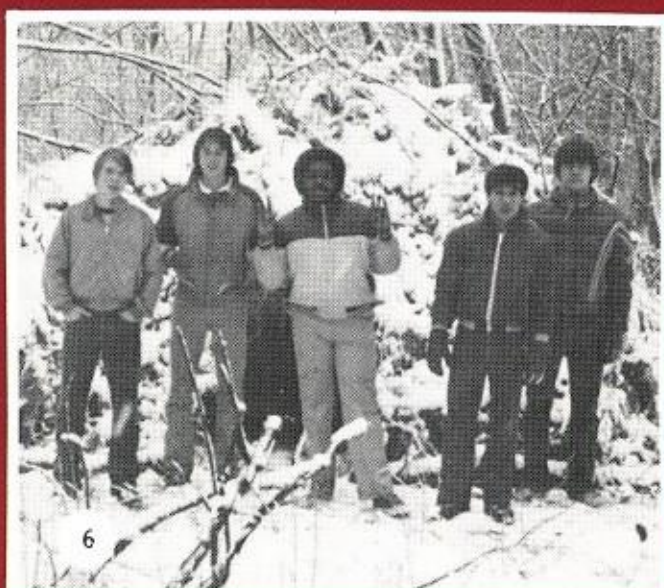

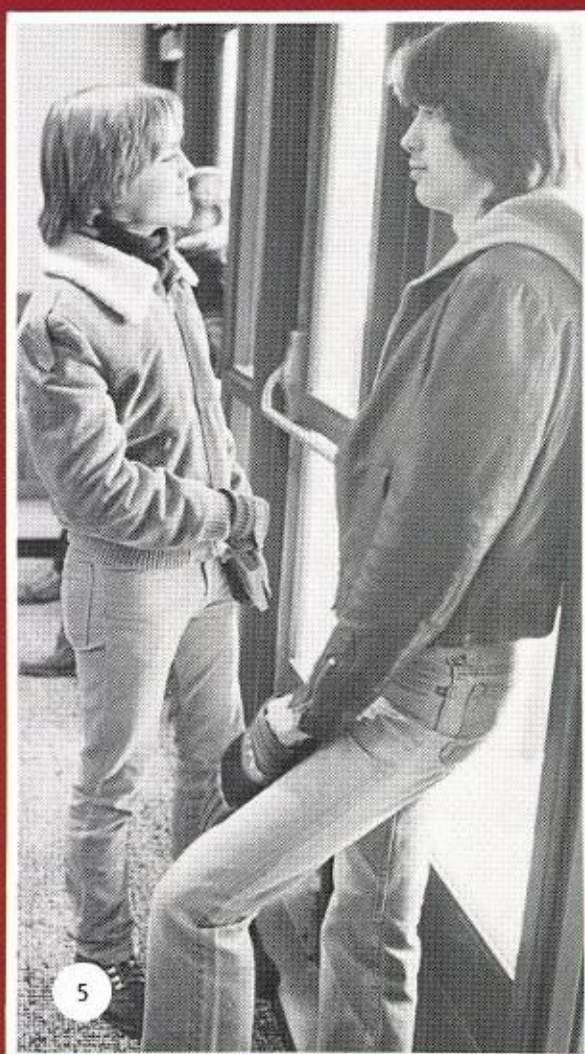

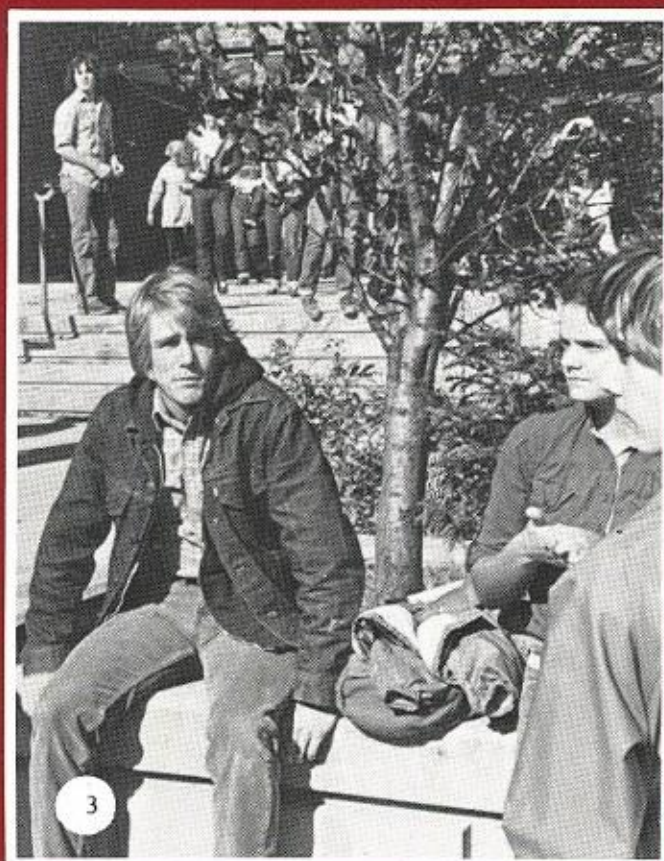

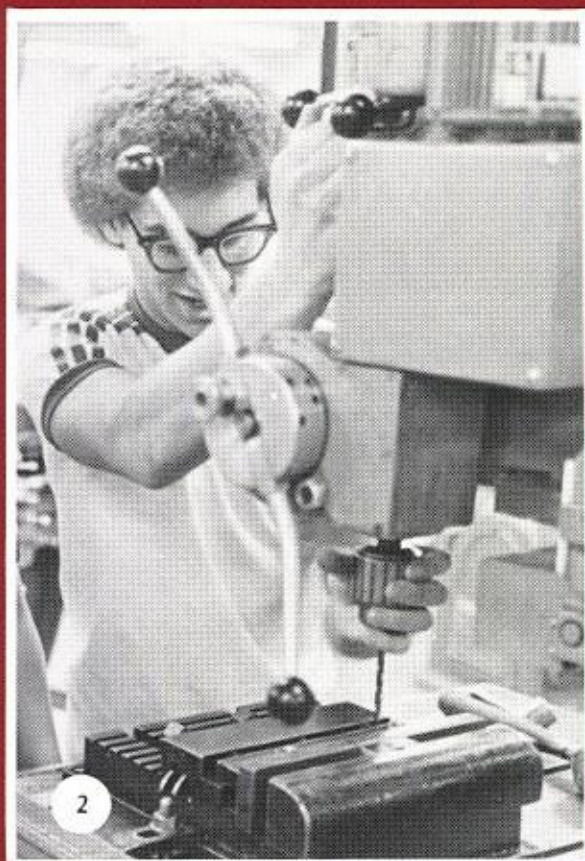

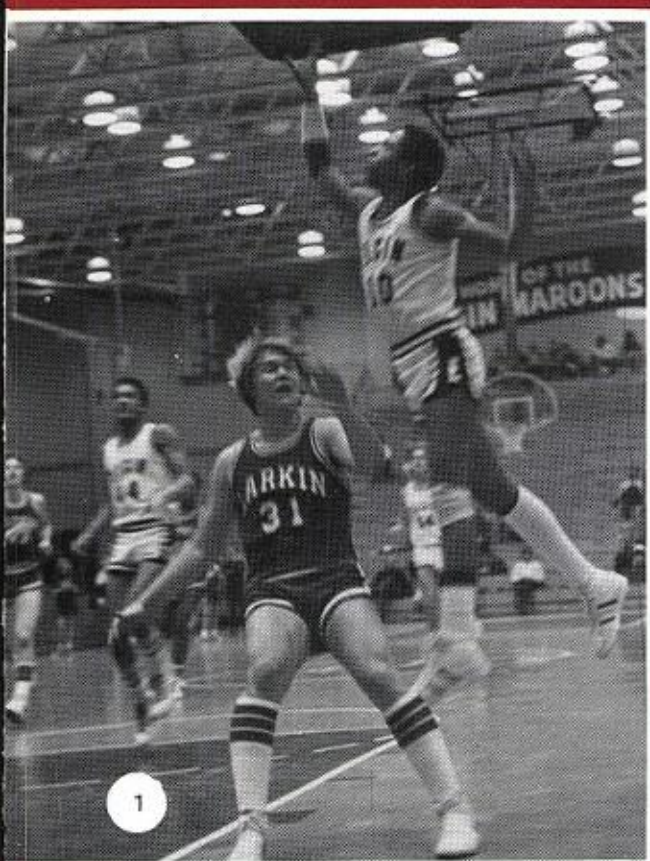

On Jan. 10, 1982, temperatures plummeted to 26 degrees below zero with wind chills of 80 below, thus becoming the coldest recorded day. Schools were closed and students celebrated a "free" day. A week later the Siberian Express rolled through the area again, and temperatures plunged to 25 below but school was held as usual.

EHS STARS SHINE FOR A NIGHT

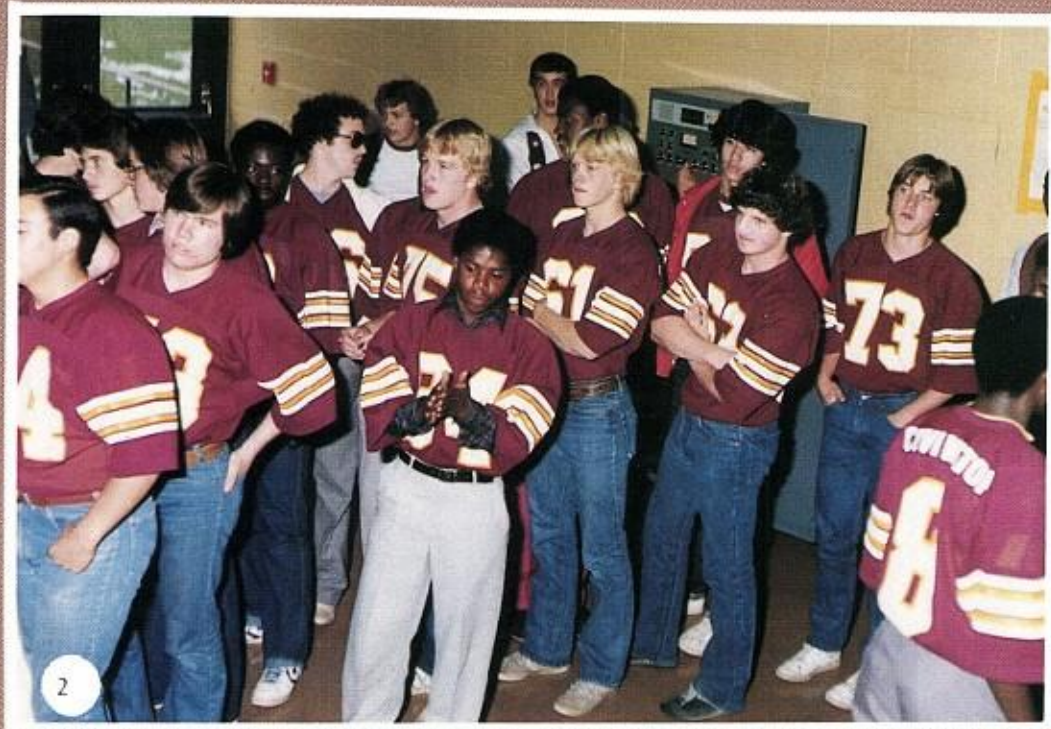

This year the students at Elgin High School elected the incomparable Chris Baley as Homecoming Queen and the formidable Rich Olivarez as Homecoming King. The lovely young ladies who made the Queen's court so worth looking at were Carla Blizzard, Cathy Gillam, Tammy Suits, and Nora Whitlock. The Handsome King's attendants were Jim Dolan, John Graham, Gordie Johnson, and John Shepard. Unfortunately the Homecoming King, Rich Olivarez, was injured during the first half of the homecoming game and was not able to receive his crown. In his place, his mother graciously accepted position of Homecoming King.

AND HEAR THE ROAR OF THE CROWD

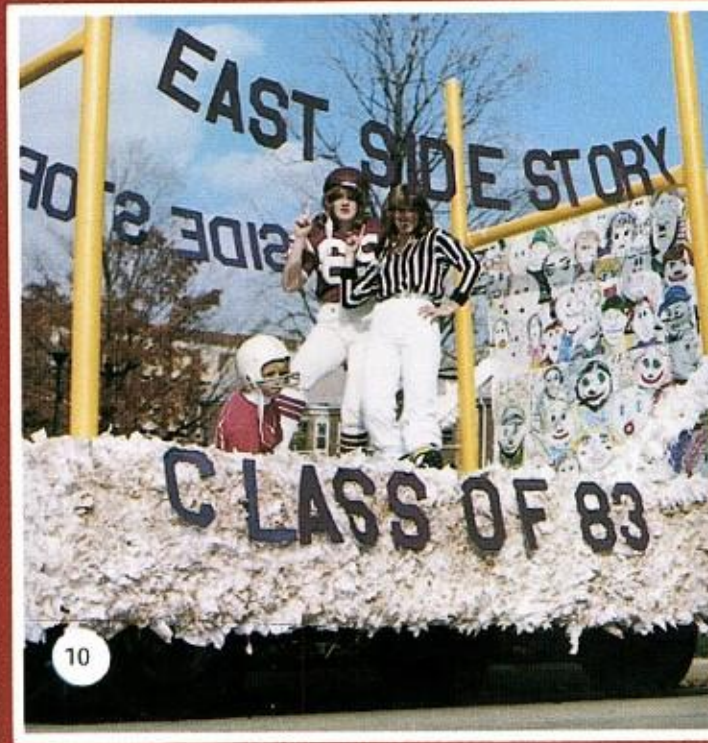

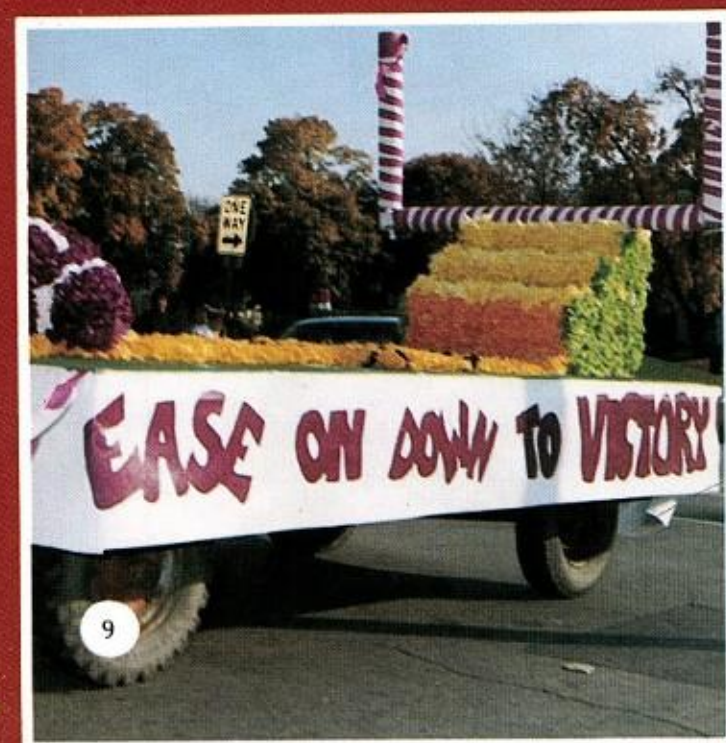

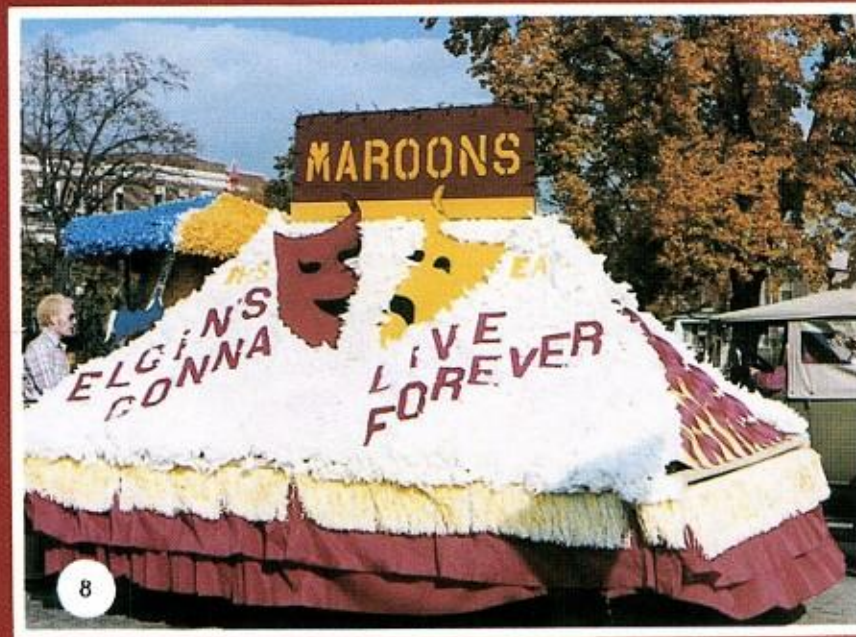

The school showed its school spirit during the pep assembly. There was a pep talk to boost the school spirit by the cheerleaders. The Pom Pons came out and danced a routine to the song "On Broadway," this year's theme. After that the candidates for King and Queen were announced by the masters of ceremony, John Shepard and Gordie Johnson. Since one of the purposes of the assembly was to honor all fall sports, each team was recognized, culminating with Coach Evangelist introducing the varsity football team. The assembly ended on a loud note- the Poms and the Cheerleaders led everyone in singing the school song.

EHS EASES ON DOWN THE ROAD

The band played, and the floats rolled as this year's homecoming parade wound through downtown Elgin. To add to the excitement, the Shriner's Motorcyclists performed along the parade route. The class of 1984's float, "The Wiz", won as most beautiful. The most original was judged to be Student Council's float, "Fame-Elgin's Going to Live Forever." And the float best fitting the theme was the class of 1983's "East Side Story." The most important award, best all-around float, went to the Seniors for "Carousel." It was a very successful parade and the sun shined warmly on all the festivities.

AND PLAYS TO A FULL HOUSE

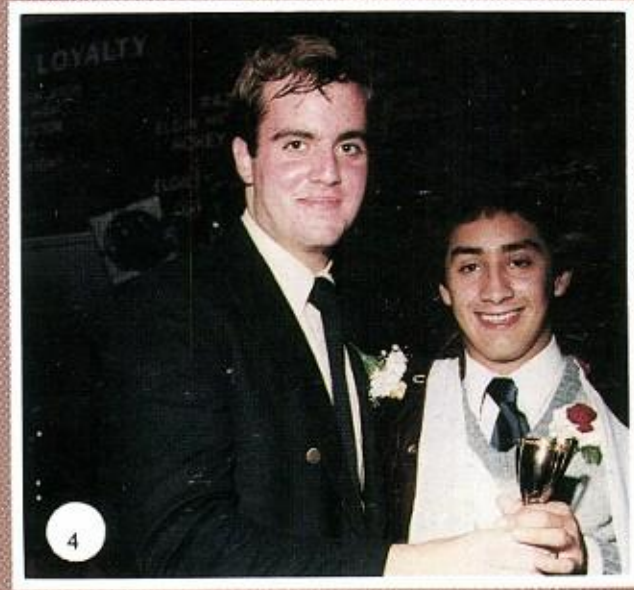

Thursday night before the homecoming game, the traditional bonfire was held by the Student Council to bolster the spirits of the team and student body. The next night the football players gave it their best effort. To the delight of the large homecoming crowd, Elgin was ahead at halftime, 15-7. Unfortunately the team fell short of winning the game. Quarterback Richie Olivarez separated his shoulder during the first half. Although John Shepherd did an admirable job of replacing Olivarez, the Maroons lost a close hard fought game 24-22.

STUDENTS DANCE THE NIGHT AWAY

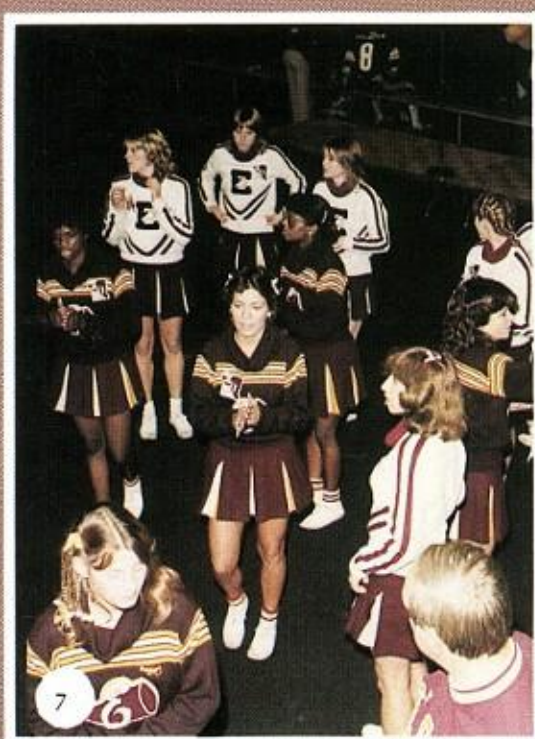

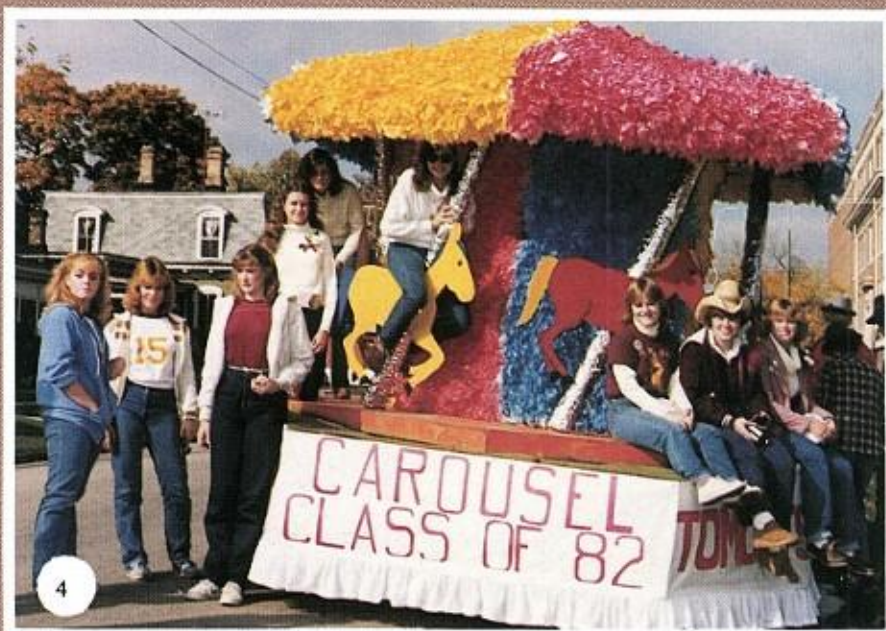

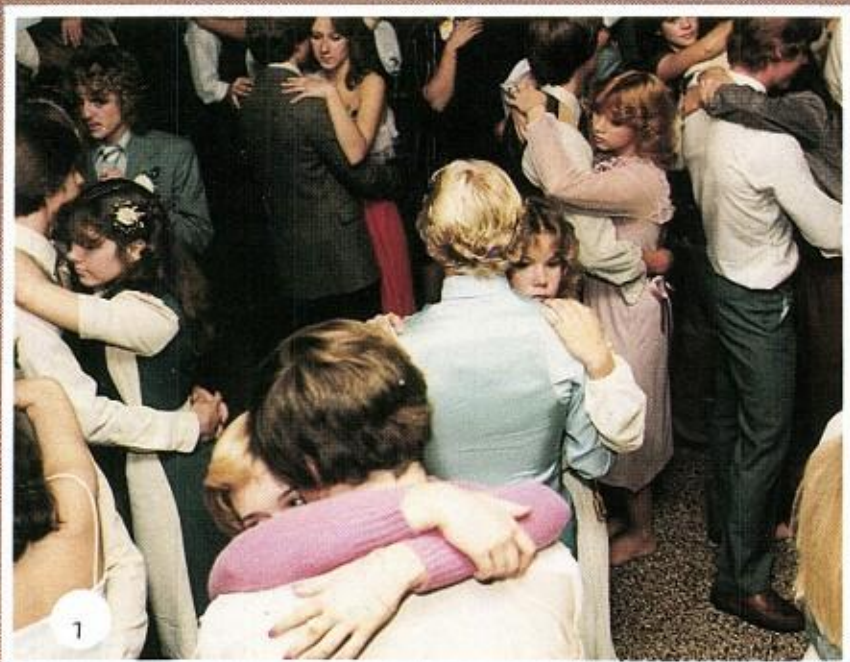

Although Elgin had lost the game the day before and it was raining Saturday night, everyone was in high spirits for the Homecoming dance. With Musical entertainment provided by "Slapp" a very talented band, the dancers crowded the floor. Whether they were swaying to a slow song or jumping around to a disco beat, a great time was had by all who attended. Midway through the evening, the beautiful Jan Thompson and handsome Scott Sund passed the crowns to this year's King and Queen, Rich Olivarez and Chris Bailey. After a short speech was given by each, a special song was played by the band and the King and Queen had the first dance of their reign.

MOTTO FOR GIRLS CLUB LUNCHEON IS . .

This year, the annual Mother-Daughter Luncheon was an event to be remembered. The afternoon began as the meal was served. The main course consisted of ham served with strawberry sauce, and it was enjoyed by all. After the meal, the entertainment began. The highlight of the afternoon was hypnotist Earl Chapman, who totally mesmerized the entire audience. He asked a few of the girls attending the luncheon on stage to be hypnotized individually. Mr. Chapman proved his talents as he had Jan Prigge, Brenda Hess, Ingrid Hessler, Stephanie St. George, Anne Fox, Cindy Koth, and Beverlee Aschenbrenner at his command. Mr. Chapman made the girls do many things. Among them were pretending to be watching a sad and funny movie, during which they cried and laughed. Then Cindy Koth was told that her chair was too heavy to lift. Although she tried and tried, she couldn't lift the chair until Mr. Chapman said the magic words. Later on he asked Cindy, Jan, Ingrid, and Beverlee to show their skills as singers. This was quite humorous, because they were singing different songs — "How Dry I Am", "Jingle Bells", "Elgin Loyalty", and "The Rose" — all at the same time. As the afternoon drew to a close, a raffle was held for the planter centerpieces.

DADS AND DAUGHTERS DINE AND DANCE

The Blue Moon ballroom sparkled with excitement at this year's Dad and Daughter Date Night. The evening began with an elegant buffet. Following dinner the dads and daughters danced the night away to the sounds of the band, Flite. The winners of the annual dance contest were: 1st place-Kelly Diekmann, whose prize was a bottle of champagne, 2nd-Pam Foote and 3rd-Penny Horn; both won a bottle of wine. Flowers were given to Kim Konen, for Most Original, and to Michelle Entwistle, for the Funniest. The fathers learned some new steps and agreed with this year's theme-"Thank Heaven For Little Girls"

LADIES TREAT GUYS TO A NIGHT OF FUN

Could it be magic? Yes this year's Turnabout Dance was magic. The evening started with a buffet dinner at the Blue Moon Restaurant and progressed to lighthearted dancing. The music was provided by the band Flite and everyone enjoyed the beat. Besides the more conventional dances, some unusual footwork appeared — snake dances, group dances, and the Pogo Stick hop. Freddy Fredricks, a magician, entertained the students at their tables with magic tricks and balloon animals. The lucky raffle winners won either Baskin Robbins certificates or Cinema tickets. Girls Club did a super job hosting the dance and all club members received a rose. Dance chairman Cindy Woelfel was given special recognition and 6 red roses. All in all, EHS students created a magical evening.

VIP PARTY LIFTS SPIRITS

On December 6th the student council hosted a Christmas party for approximately 475 senior citizens. The day's events began with welcomes from Mr. Richard Felicetti, principal of Elgin, and Dr. Rick Wiggall, superintendent of U-46. The program emcee was Mr. Sam Nicholas. The program consisted of musical numbers from the Singing Maroons, a magician, and 450 door prizes. Refreshments were served by the E.H.S. student council in the commons. Carols were sung and door prizes were awarded. A festive day was shared by all.

AROUND ELGIN AT CHRISTMAS

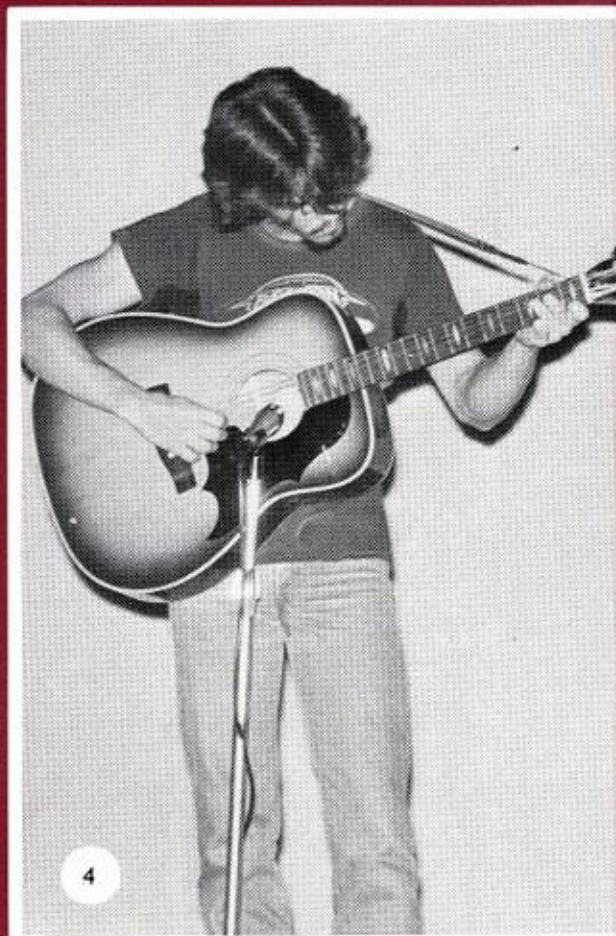

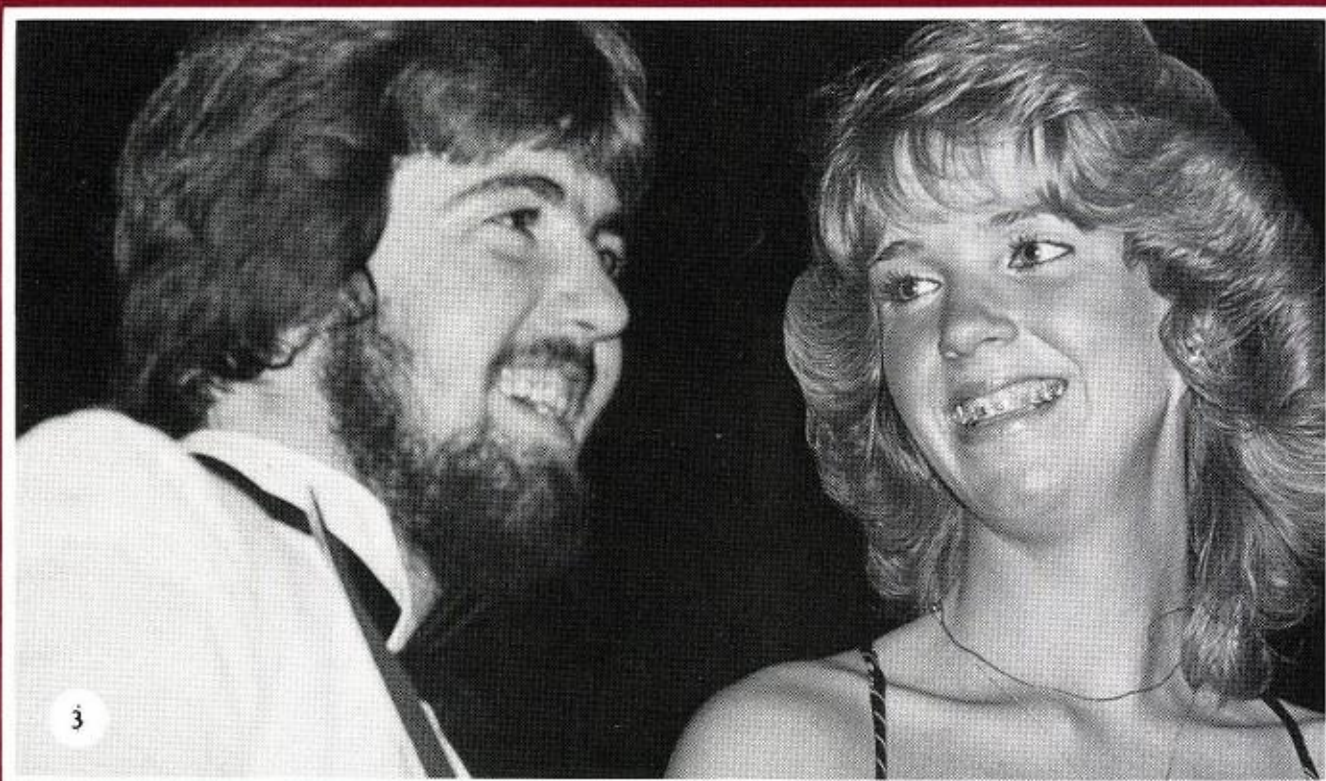

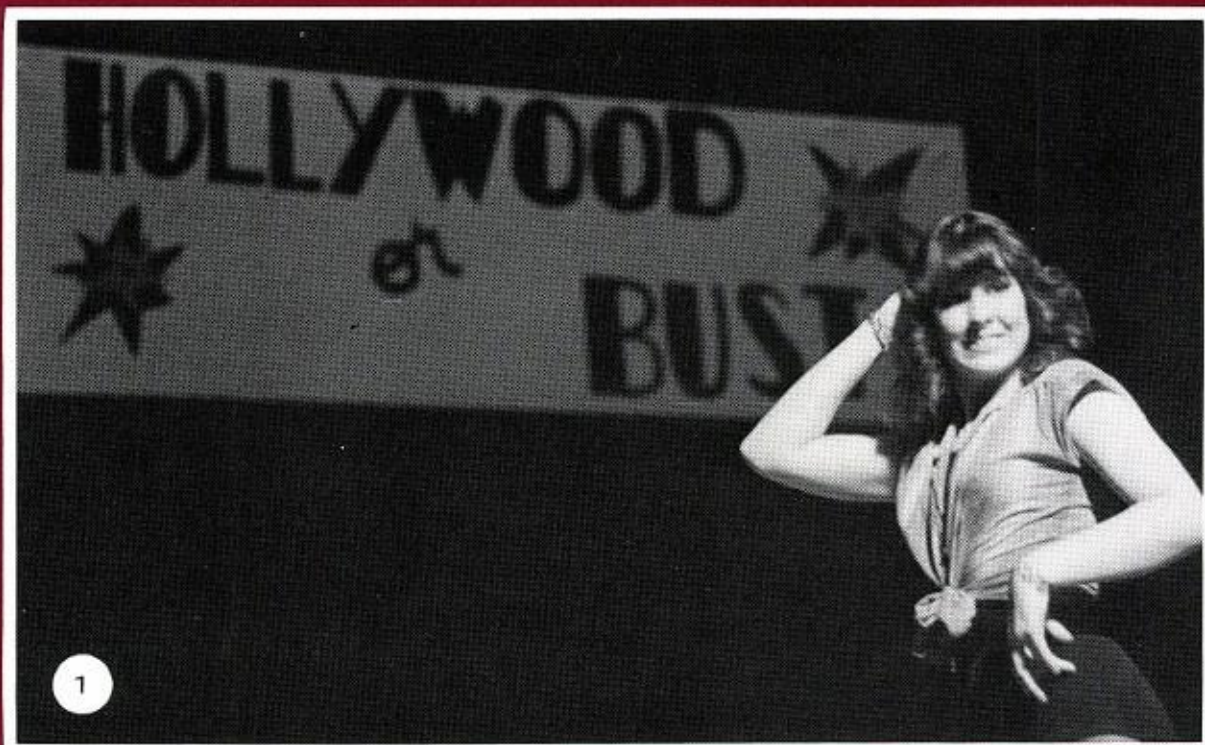

On Dec. 22, a Christmas assembly was held in the E.H.S. auditorium hosted by the president of Student Council, Dan Hennessy. Cary Adams, a writer for the Mirror, announced the opening of the mascot contest. This was followed by musical entertainment presented by the Singing Maroons and the E.H.S. band. The Poms performed a Christmas skit wishing E.H.S. a Merry Christmas. Each year the Elgin students elect a Mrs. and Mr. Claus. This years winners, Penny Horn and Greg Smith, were called on stage for their traditional Christmas kiss.

On the more serious side, Student Council collected and donated 4402 canned goods and \$835.59 to the Salvation Army for the needy families.

LOCAL TALENT DECLARES

The EHS talent show, which was sponsored by student council, included acts from Elgin, Streamwood, and Larkin and proved to be a booming success. Unlike the silly, humorous acts that were presented at Gong Shows in the past, there were many serious acts this year including mimes, singers, dancers, and bands. Adding to the enjoyment of the evening were the co-emcees, Beth Millhorn and Kevin Hanaughan. The first prize went to The Spates Brothers a jazz band from Elgin High. Hopefully this show will set a precedent for years to come and the true talent of Elgin students will shine on talent show night.

ALL THE WORLD'S A STAGE

Elgin's entry for this year's contest play was *Death Of A Salesman*. The play competed in a series of contests organized by the Illinois High School Association, which led to the selection of the twelve best plays in the state. At the District contest, Elgin placed and advanced to Sectionals, along with two other plays that were first and third. The cast and crew fared much better at Districts than at Sectionals, where they didn't place at all. Also honored at Districts were Bill Elbert, Laura Sutherland, and Doug Pleskovitch, who were named members of the All District Cast.

THE THEME WAS "PRECIOUS AND FEW"

The Junior-Senior prom of 1982 was held at the Lancer's in Schaumburg. A dinner of appetizers, prime rib, and ice cream was served, and the band "Image" played for the couples through the evening. Each girl received a stemmed glass and the guys a tankard to remember the evening. The theme of this year's prom was "Precious and Few". Everyone enjoyed the evening making the 1982 prom a successful event.

ACADEMIC HONORS

ROTARY CLUB AWARDS

The Rotary Club is a world of fellowship of business and professional executives who accept the "Ideal of Service" as the basis for success and happiness in business and community life. Several years ago they began a program of honoring high school students from the area who had attained high academic achievement. In order for students to be eligible, they must have achieved an A average based upon the end of the first semester final grades.

The 110th graduation ceremony was held in the fieldhouse on June 18, 1982. Led by their sponsor Mrs. Janith Jackson, the 483 graduates marched down the aisle to "Pomp and Circumstance" played for the first time at graduation by the EHS orchestra. The graduates were greeted by another first—the huge center scoreboard was ablaze with "110" and "1982". Graduation speakers were Tom Lauber, Carey Adams and Nora Whitlock. Superintendent Dr. Richard L. Wiggall presented the class and board members Mrs. Jan Stolt and Mr. James M. Raue Jr. presented the diplomas. Carey Adams' father, Rev. Thomas K. Adams pronounced the benediction and Richard F. Felicetti made his last remarks as principal. Thus both our seniors and principal graduated from Elgin High.

GRADUATION

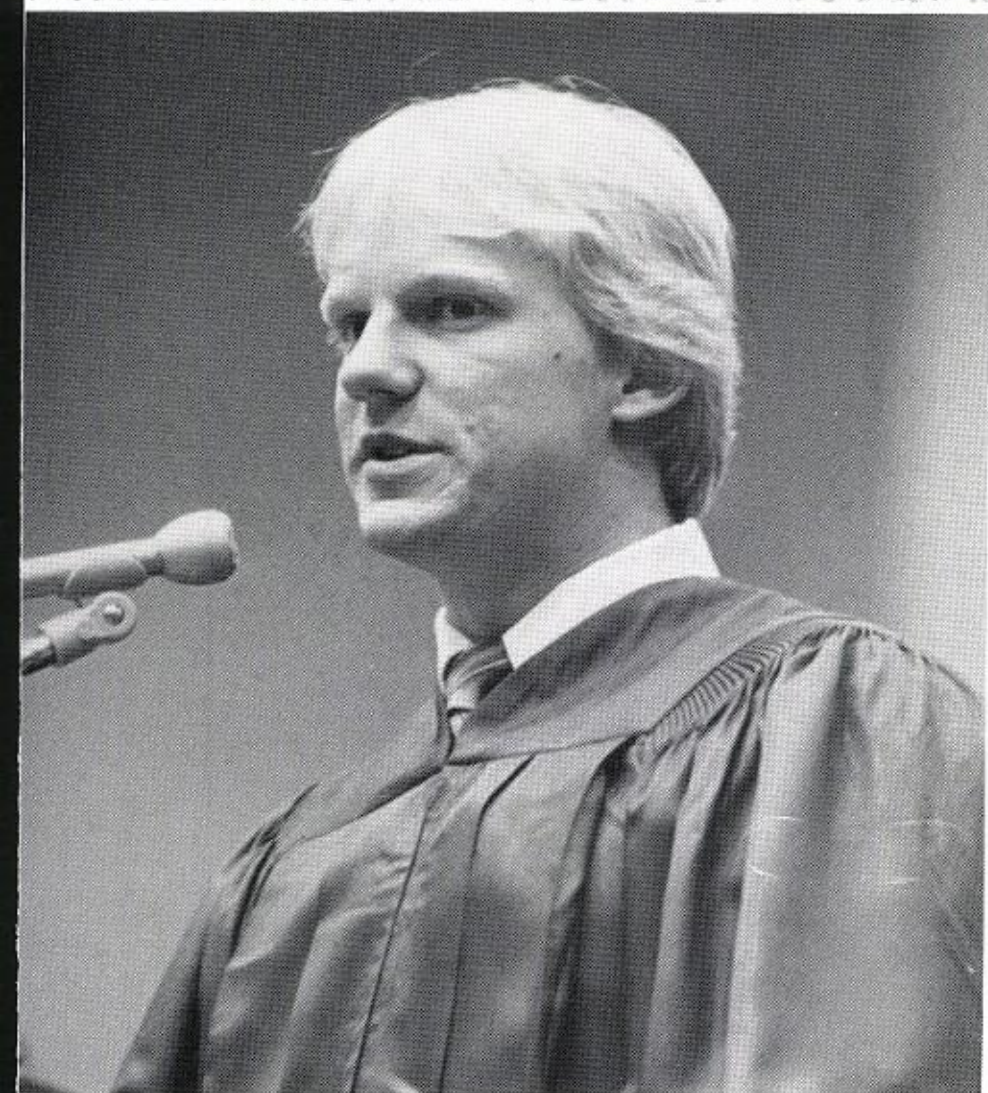

"TIME FOR ME TO FLY"

The seniors appeared to be thinking seriously about their past and future during the traditional ceremony.

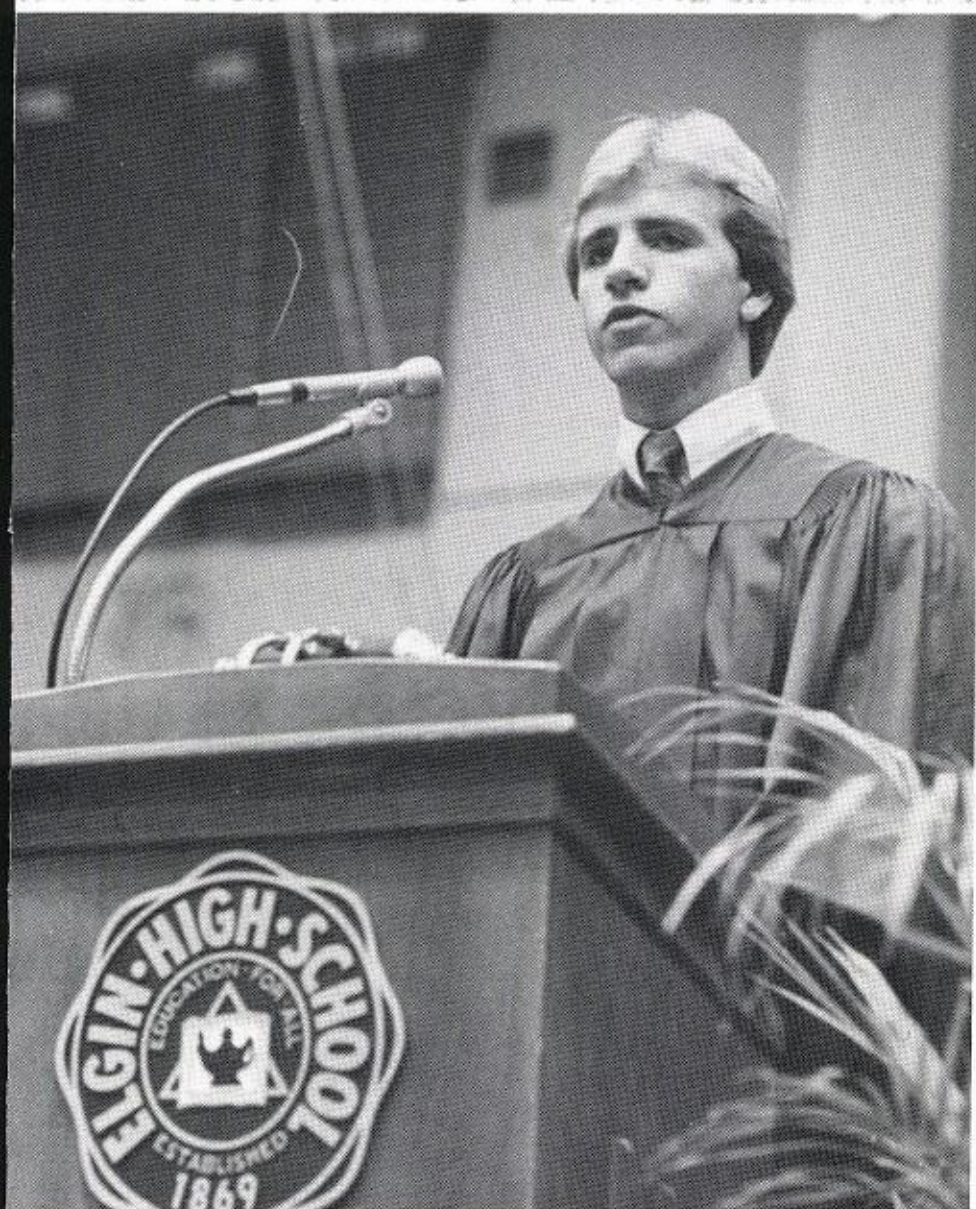

Twelve years of hard work is represented in the diplomas conferred at graduation.

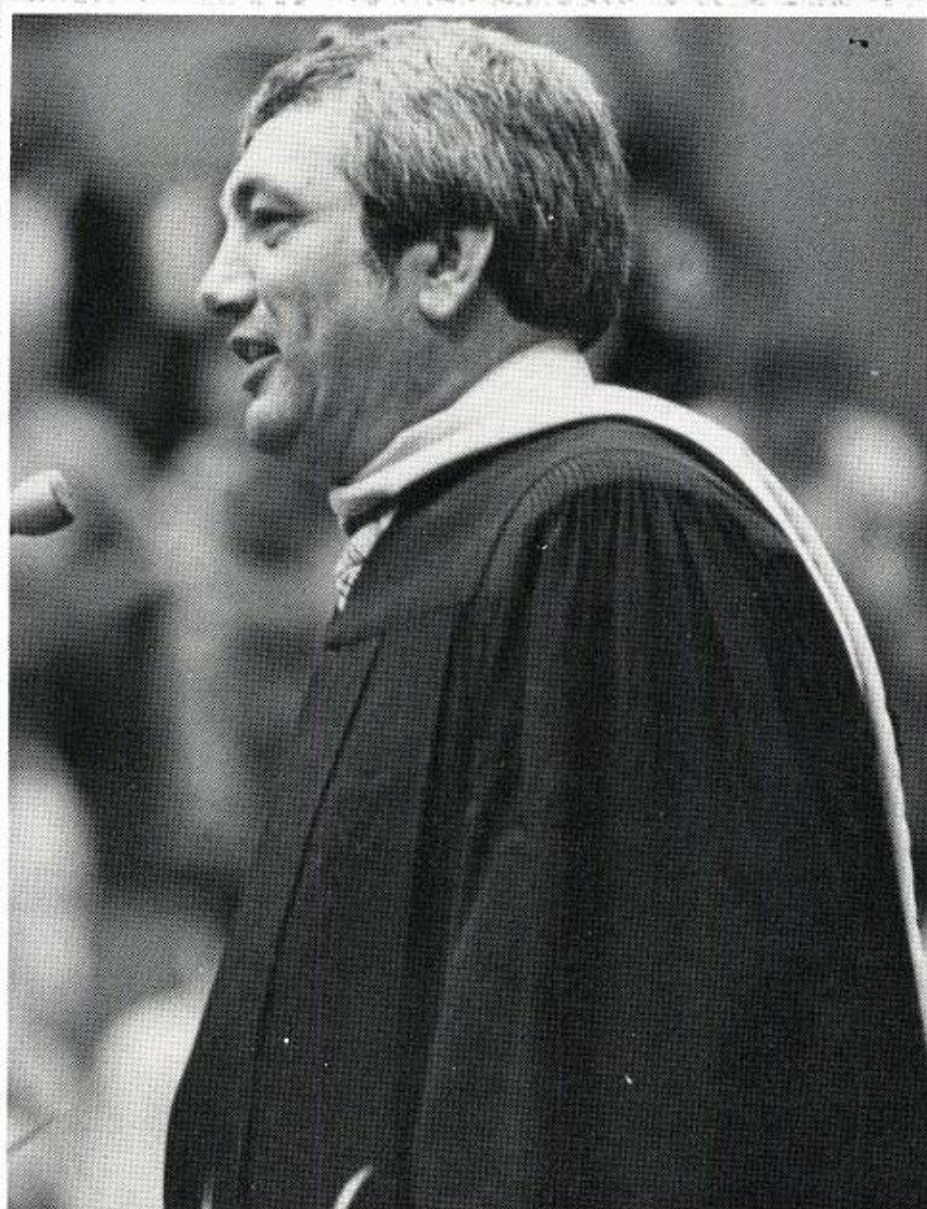

Tom Lauber challenged his class with: "Tomorrow is ours and we can make what we want of it."

Nora Whitlock reflected: "With a solid base on which to build, our tomorrow will be one that is wealthier, happier and filled with success."

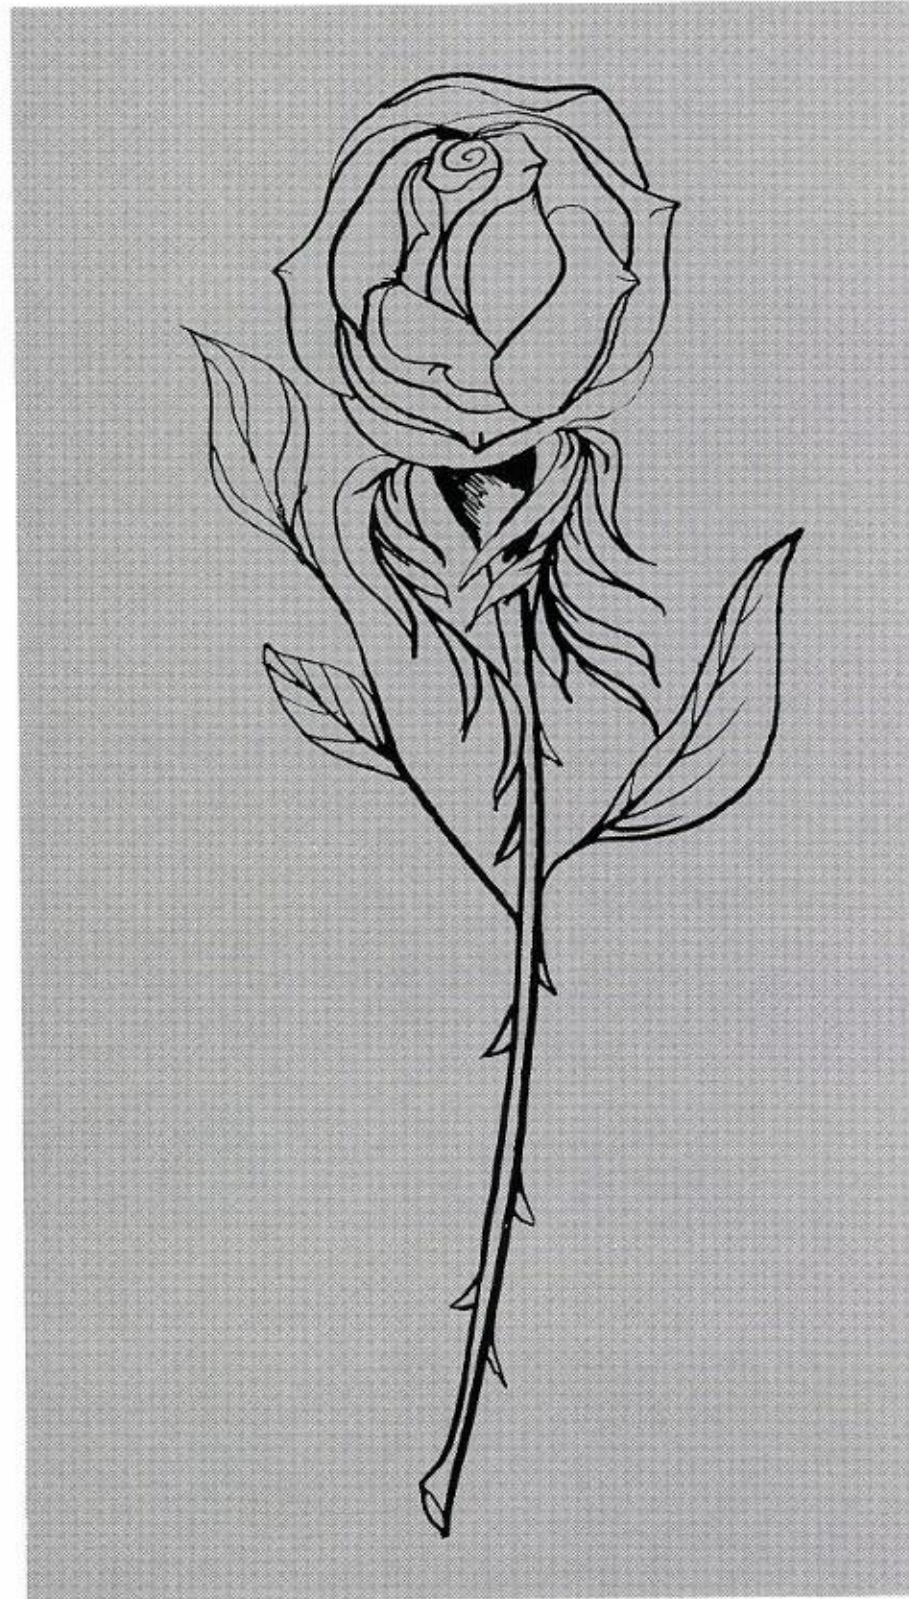

Carey Adams summed up his address with: "As number 110 in the series of graduates, we may take pride in the tradition of which we are now a part, in the Class of 1982, and most importantly, in ourselves."

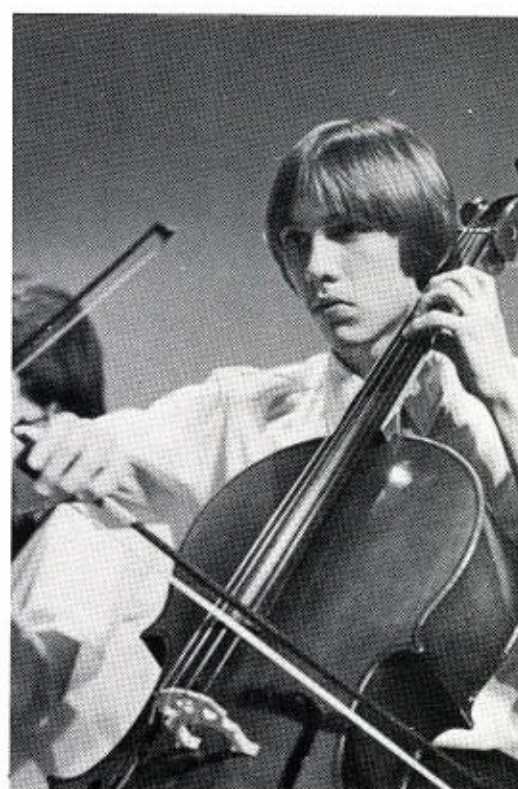

Richard F. Felicetti's final remarks to the graduates were: "Go with style. Go with class. You are the great class of '82."

Some of their activities while here were a tour of Elgin, a tour of Chicago, and rollerskating. When they left, many students wished they could stay longer. LOSING DOES NOT MEAN DEFEAT

The 1981 varsity football team did not have the most successful season Elgin High has ever seen. Although hampered by key injuries and 2 forfeits, games were close, hard-fought battles, but the year ended with a 1-8 record. However, there were memorable moments. Elgin's Tony Gross and Greg Smith were named all-conference players. The last game of the season played against Larkin was taped to be televised on Channel 6. This was a first in Elgin High history.

SOPHOMORES ARE "UP" WITH A 4-3 RECORD

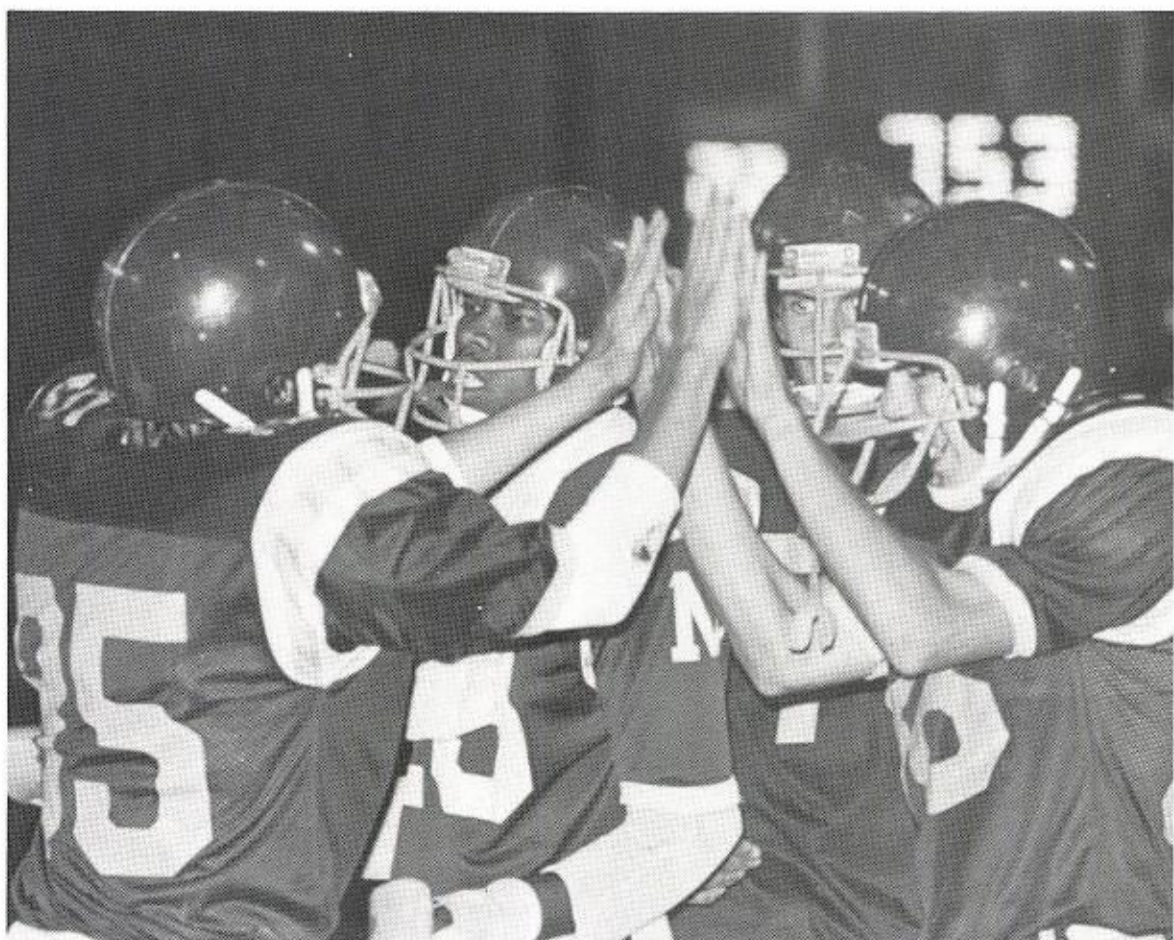

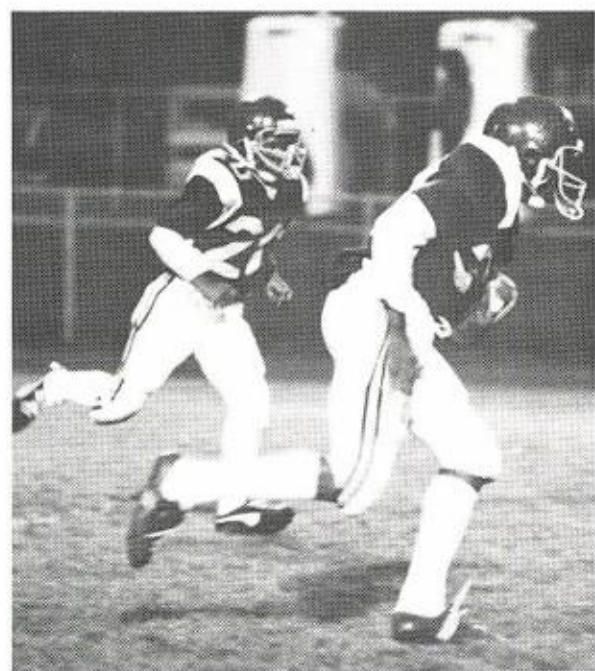

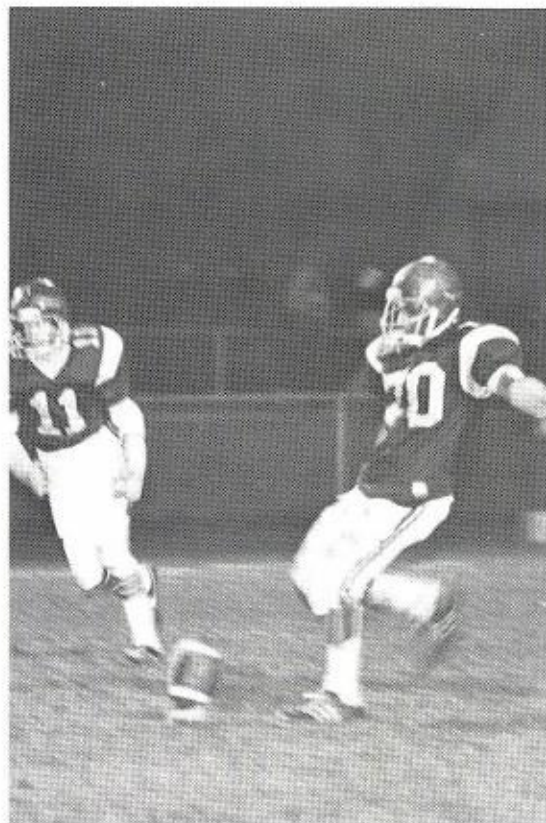

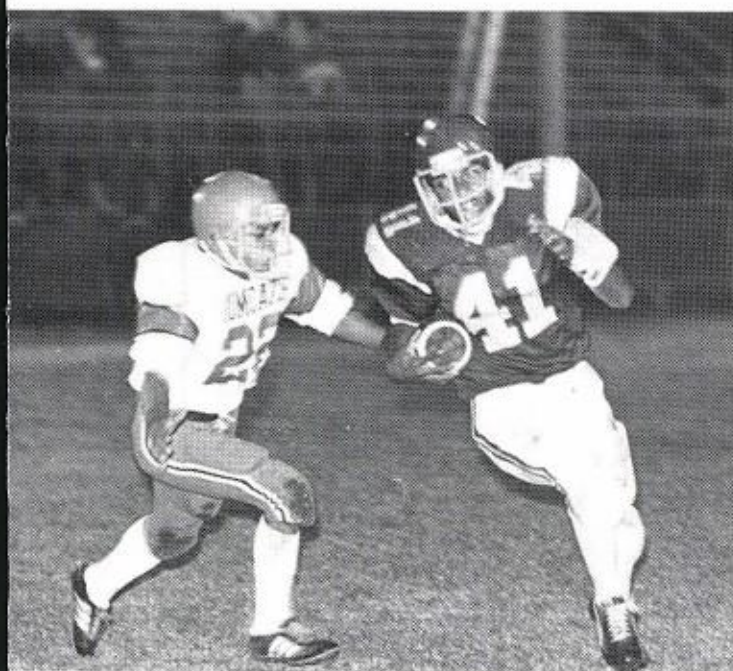

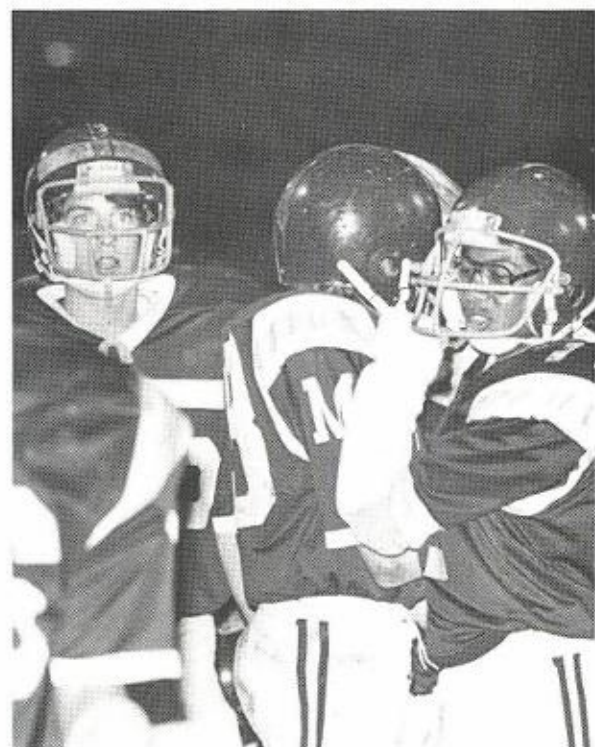

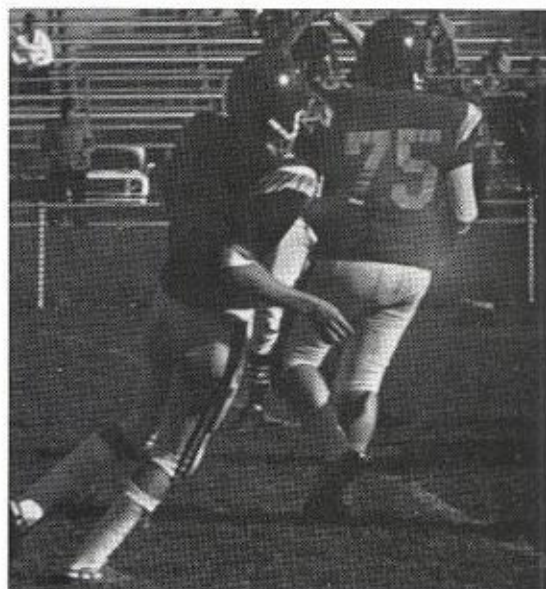

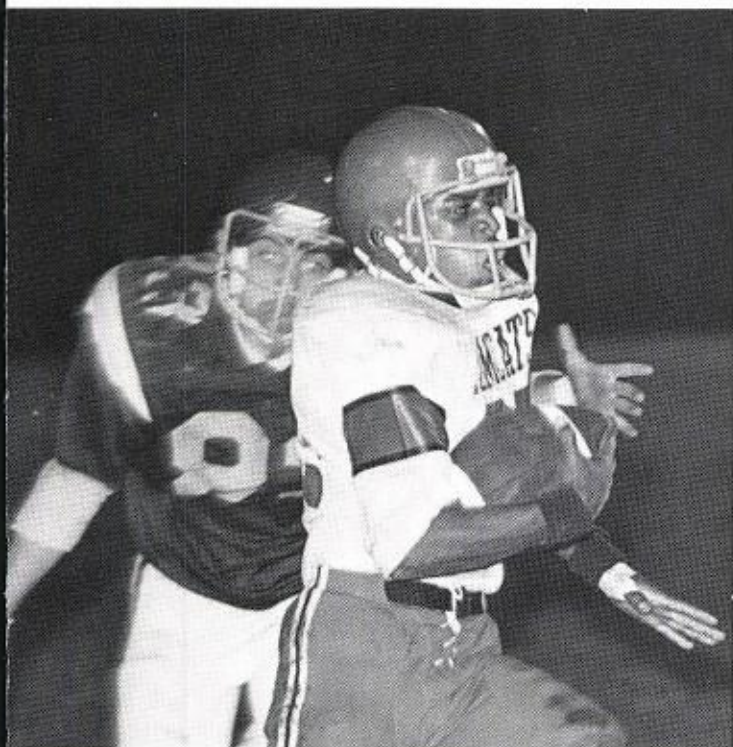

It was an up and down year for Sophomore football. It was a down forfeiting the first two games and losing to U-46 rival Streamwood. However, it was an up winning homecoming and beating cross-town rival Larkin. Coach Saurbaugh feels these players will become some of Elgin's finest and will be consistently "up" in the standings.

VARSITY CAGERS SCORE HIGH

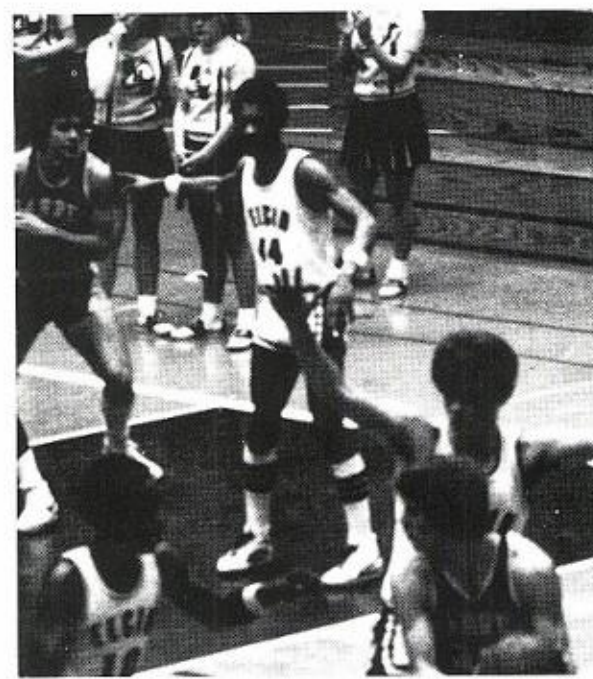

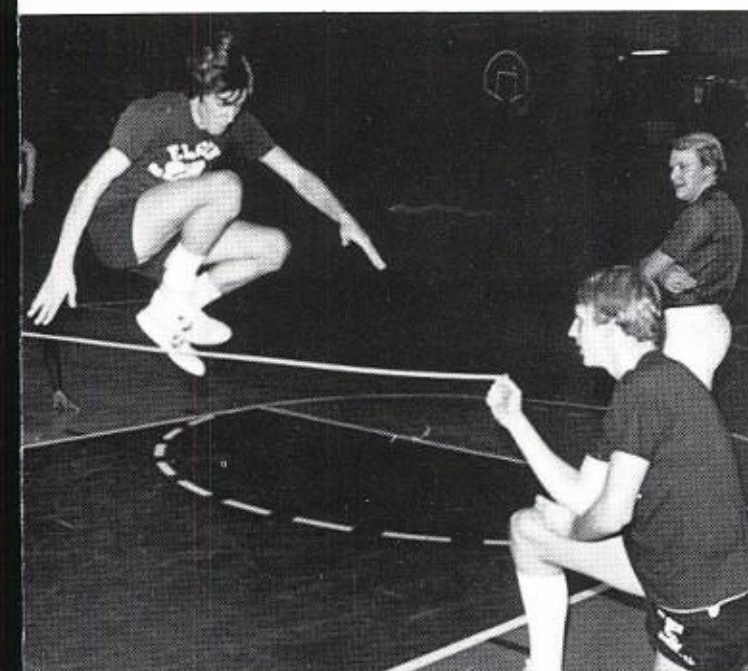

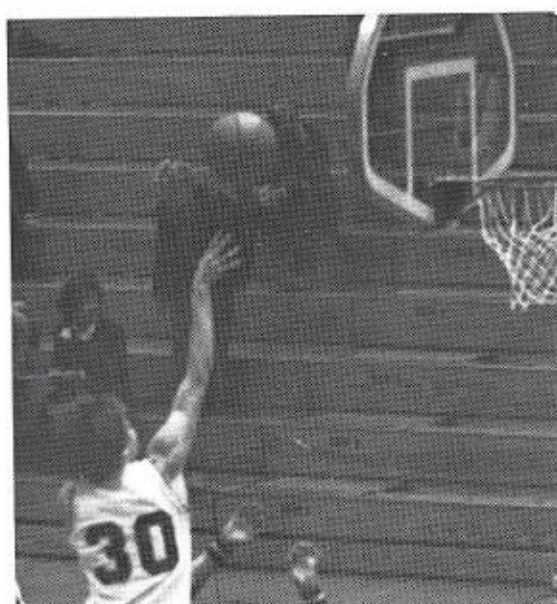

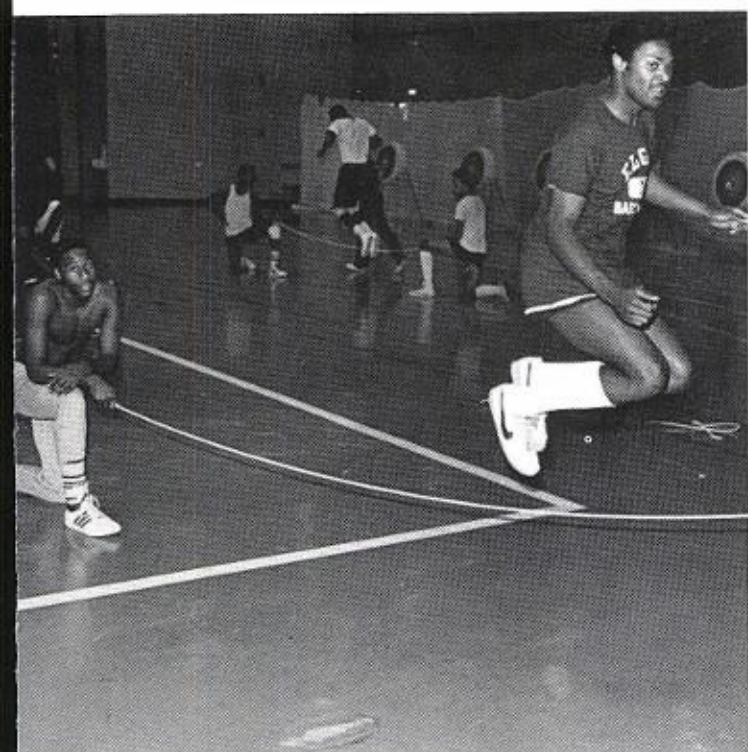

The Basketball season ended the way it began - with a one point loss. In fact, Elgin lost seven games by three points or less. Coach Chesbrough felt the young Elgin High team with four Juniors and one Sophomore in the starting line up made great improvement throughout the year and finished strong at the end. This team was in every game that they played right up to the final buzzer. Elgin did win their own Christmas tournament. Ken Hudgens was selected most valuable player in the tournament and was runner up in the Upstate eight conference. Coach Chesbrough concluded, "We are extremely proud of the fine group of young men who gave their best each time on the court. The future is theirs and that future is now."

Coach Cooklin said, "This year's team was a pleasure to work with as they showed a lot of character. The team refused to quit working even though they got off to a very slow start losing a number of close games. They regrouped the second half of the season and won eight of their last twelve to finish the season at nine and twelve." Coach Cooklin concluded, "I think their best days are ahead of them."

SWIMMERS PLUNGE FORWARD.

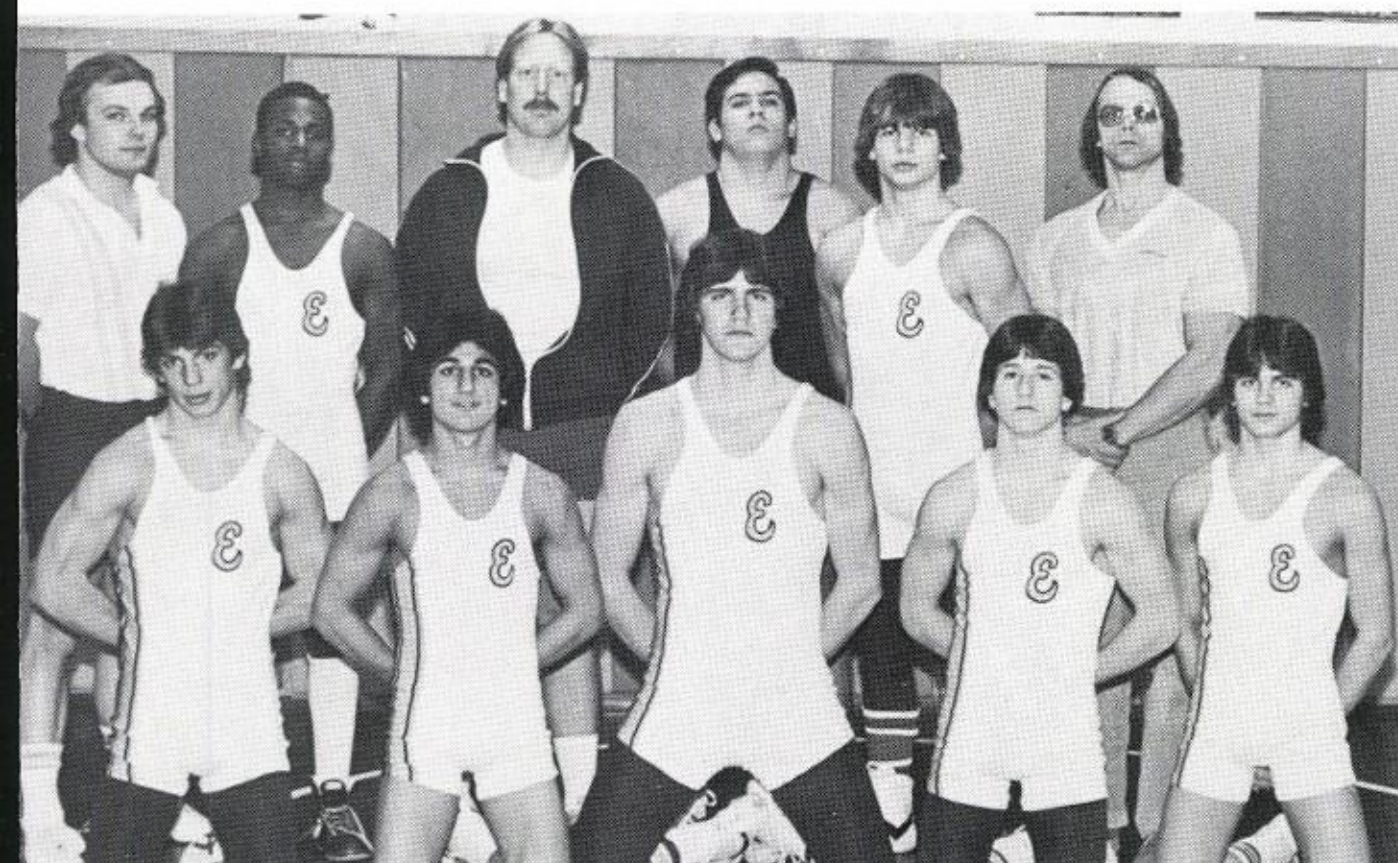

The boy's swimming team finished the season with a 2 win 11 loss record. They finished 5th in the St. Viator Invitational, 6th in the Olympic Invitational and 5th in the conference. The team made steady improvements towards their goals, and a good time was had by all.

BATS ARE UP FOR BASEBALL

This year's varsity team had an up and down season as they battled to stay at the 500 mark. The team displayed fine hitting ability but was lacking slightly in the pitching department. They were led by all-conference performer and MVP Tony Gross, fellow all conference recipient second baseman John Graham, shortstop Rich Oliverrez, outfielders Jim Waschow and Tuto Perez and catcher David Nelson. The team also received a late season boost from Junior Lance Klinger who overcame academic difficulties and sophomore Brian Corn, who beat top seeded Dundee in the regional tournament. Things look good for the future at Elgin, as the Varsity started four juniors and two sophomores at the end of the year.

Leading team hitters on the team were freshman Rodney Scott .486, freshman Mike Haseman .435, sophomore Brian Corn .450, and freshman Todd Opsahl .407. Brian Corn also was the ace of the pitching staff with a 7-0 record and a 1.92 E.R.A. followed closely by Rodney Scott 3-0, 1.67 E.R.A. and Kurt Peffley 3-0, 3.73 E.R.A. Fourth Row: Annette Mink-Manager, Stacie Russell, Celia Gales, Pel Attaphitaya
Top Row: Coaches-Betty Leturno, Mary Ann Johnson Not Pictured: Sandra Martin, Denise Wauchope and Kathy Ells

This Year's track team did very well considering the small number of members. We placed 4th in conference, 6th at Kan County and 8th at Districts. Many personal goals were reached. Two members qualified for state, Kathy Probst in the 400 and Sandy Martin in the 100.

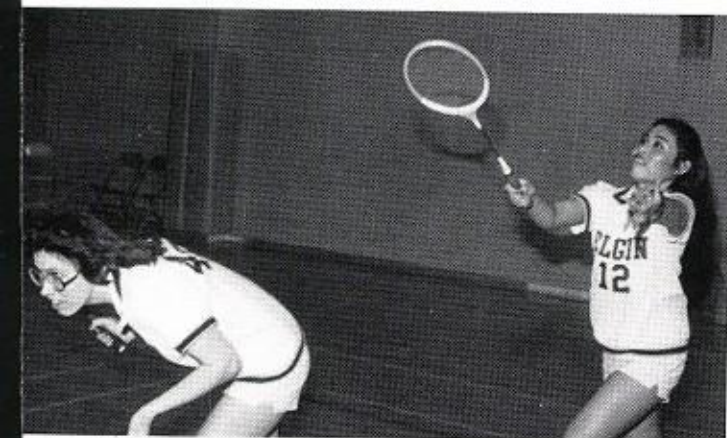

THE "BIRDIE" FLIES TO VICTORY

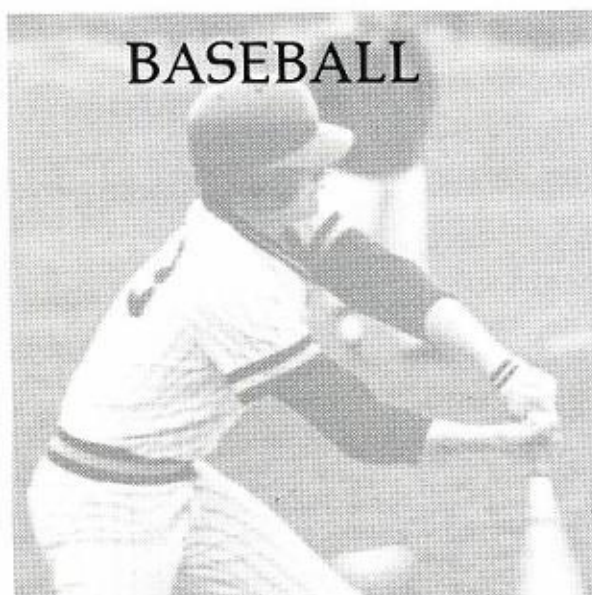

Back Row L to R: Anne Schultz, Cindy Woelfel, Sarah Maltby, Kate Brown, Janna Williams, Mrs. Sellers (Coach). First Row: Samee Keovangrack, Julie Williams, Nora Whitlock, Pam Cotton, Traci Hillard.

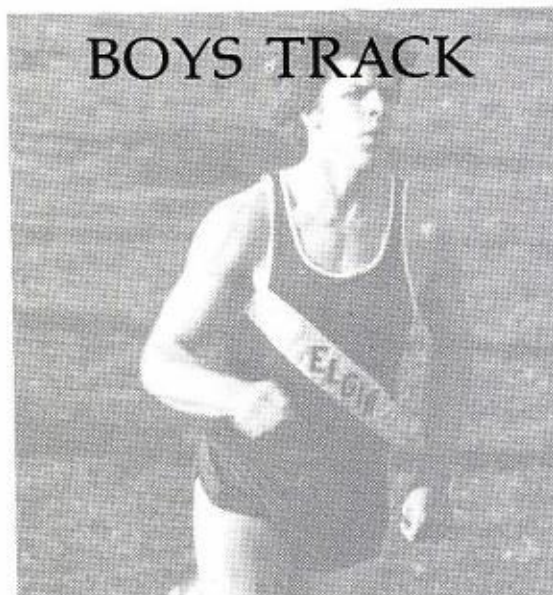

The Badminton team had a really great season. Mrs. Sellers, a rookie coach, emphasized playing *smart* badminton. She was pleased that there were two full squads and it was an international team with three Laotian players. Twice they defeated 5 of 7 schools in the Up-state Eight Conference. Janna Williams, Kate Brown and Traci Hillard qualified for the State. Both Traci Hillard and Julie Williams completed an undefeated season. Last but not least, the team was proclaimed "city champs" and given a trophy by Mr. Wallace.

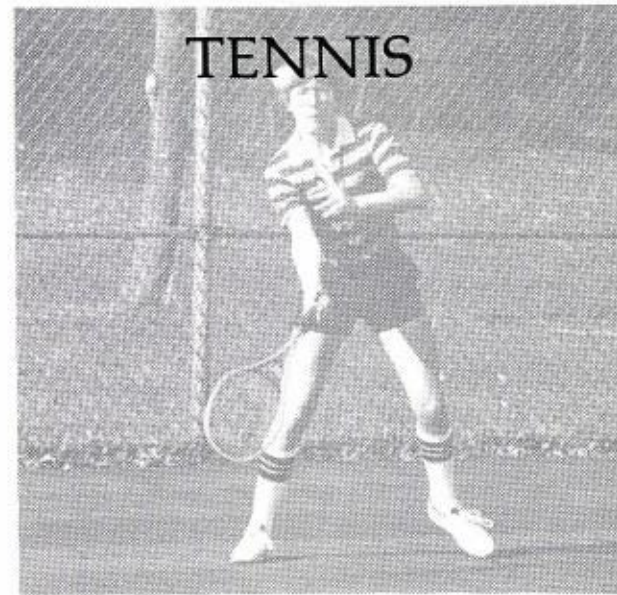

Top Row L to R: Kim Gartner, Kathy Bailleaux, Terri Morrison, Laura Clymore, Sy Chaulmany. First Row: Michio E, Maria Susara, Joan Helbig, Ieda Victorine, Aloun Youmagul.

ADMINISTRATION/ FACULTY

ADMINISTRATION/ FACULTY

ADMINISTRATION

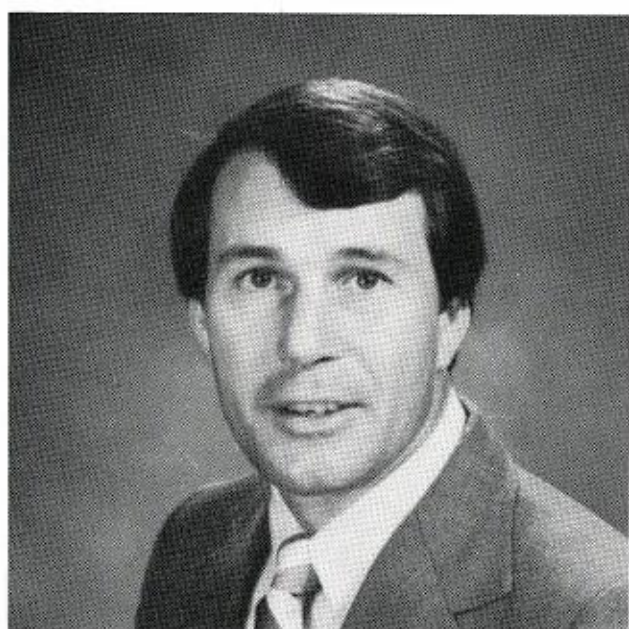

Each year at school is different from the previous. We have had many honors within the academic program and the extracurricular program. There have also been many individual student awards. The traditions of Elgin High School, certainly in the total school program, have continued.

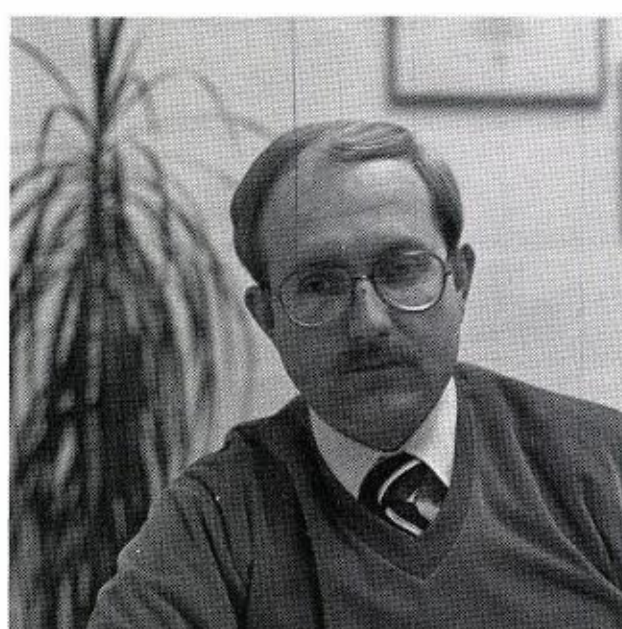

What will we remember about 81-82? . . . The fruits of our accelerated program by having ten National Merit Scholars . . . The hard work of our athletic teams who have gained recognition as a team and the many individuals who have been honored for their leadership roles as part of a team. The Pep Band that was voted one of the top bands in the state of Illinois . . . Many things to remember that we are proud of and will give us fond memories in the years to come.

May the year have been rewarding for all students and staff, may the future bring forth goals and desires that we set out to achieve, but most of all, may you reflect and say, "81-82 was a super year for me because I was a student in Elgin High School." My best to all of you.

THE MARGO ANN MUETTERTIES SCHOLARSHIP

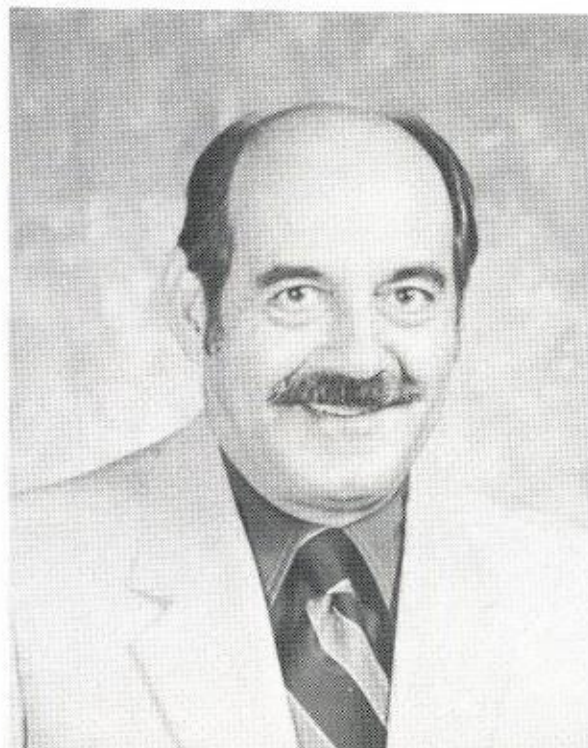

The James Muetterties family in memory of Margo Ann Muetterties will award annually a \$1000 scholarship to a graduating senior of Elgin High School. Recognizing the value and rising costs of higher education, the Muetterties family wished to assist in furthering the education of a deserving senior. The recipient is to be selected on the basis of scholastic ability and achievement, community activities, and need.

For 33 years, Bob Smith has dedicated his life to educating, counseling and developing curricula for young people. This year administrators, teachers, students and community leaders wrote testimonial letters. On May 5, Mr. Smith was named Kane County Senior High teacher of the year. The testimonial letters say best what we all feel about Mr. Smith. "With a firm hand and a sizable dose of good humor, Bob Smith has spent his career teaching young people to have the courage to become adults," wrote Tom Muntz, member of the class of 1961 which Mr. Smith sponsored.

"He is a loving and caring person who looks beyond his own needs to the needs of his students," stated Jennifer Rayner, current EHS senior.

E.C. Alft, head of the Social Science division, wrote, "For quarter of a century the teachers of Elgin High have looked up to Bob Smith as a fine example of professional competence, of genuine concern for others, and of infectious conviviality."

Finally former student Mary Monteith said, "Bob is an aficionado of people. His own positive attitude is contagious: he gets people to believe in themselves."

SENIOR COUNSELOR NAMED KANE COUNTY SENIOR HIGH TEACHER OF THE YEAR

HE WAS OUR "CHIEF MAROON"

Mr. Felicetti and his young family rode the principal's float his first year at E.H.S.

During homecoming weekend each year, Mr. Felicetti would find his house "for sale."

Coach Bill Chesbrough and Mr. Felicetti celebrated Elgin's 2,000th basketball victory.

President Ford's son Jack shared a joke with the Felicetti family after visiting the school.

He was our Chief Maroon and we bid him a fond farewell. For eight years Mr. Richard F. Felicetti has put his stamp on Elgin High School. Mr. Felicetti will be remembered as the principal who brought traditions back to Elgin High. He personally searched Old Elgin High for plaques and other memorabilia to bring to the new school. He initiated the hall of mascots, the hanging of the class banners in the field house, and the transformation of the archives from a bare room to be a model that other schools copy. Mr. Felicetti's number one accomplishment was the reestablishment of the accelerated program. Since the inception of the program and the testing of our students, test scores have gone up considerably. The national merit commendations reached a total of ten for the 81-82 school year. This was the largest number E.H.S. has had since 1958. As Mr. Felicetti now goes on to be superintendent of the elementary district for his home town — Chicago Heights, there is no way to adequately sum up his tenure as principal. We all have our own special memories of a man who cared about his students, his teachers and his mighty maroons. He certainly was Elgin's number one fan.

Of all the E.H.S. events, Mr. Felicetti always enjoyed Dad and Daughter Date Night the best. Here he danced with Julie.

AND WE BID A FOND FAREWELL

Working with students was very important to Mr. Felicetti. Here he reads a copy of "Meanderings" surrounded by the student writers.

Mr. Felicetti, along with Jan Stolt and Linda Eder, transformed the bare archives room to the showplace it is today.

All graduations were special to Mr. Felicetti, especially daughter Julie's in 1981.

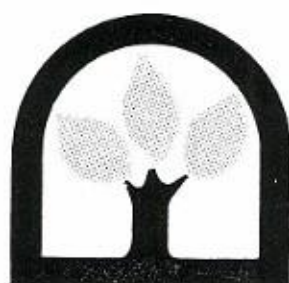

His office reflected the man and his love for the mighty Maroons.

Mr. Felicetti's office door was always open to anyone.

Mr. Felicetti showed the smile of victory as Elgin beat Weber in the Sectional basketball tournament.

We were a new staff and a new sponsor.

We all had to learn together. Therefore, many thanks are appropriate ...

to the Elgin Courier News for the current events pictures

to Judges Studio for the lost underclass pictures

a special thanks to Leander Studios for all the candids, special events pictures, and the "extras" photographic help volunteered without our asking

to the former sponsors, Mr. Al Daniels and Mr. Jim Crinigan, who always responded to our pleas for help

to American Yearbook Company representative Dennis Eder who could always solve the unsolvable problems

to EHS student Ann Fox whose creative talent supplied all of the special art work.

We tried to produce the best yearbook possible. We hope you agree and have many long years of enjoyment from our efforts.
